FOREWORD FROM ROTHMANS PUBLICATIONS LTD

The past year has been an anxious one for soccer, during which many examinations were to be passed if the game was to continue to support its claim as being Britain's national sport. Thankfully soccer has survived and the season under review ended in a far more satisfactory condition than it started.

Perhaps as a reward for getting our domestic situation in better order Britain was fortunate enough to have three representatives in the World Cup finals in Mexico, with the Welsh justifiably claiming that they had probably done enough to join England, Scotland and Northern Ireland in South America.

The 1986 World Cup is now history, but was a further demonstration that soccer continues to be a truly worldwide mass-appeal sport which has the strength to survive the most traumatic of times.

As we introduce the 17th edition of the *Rothmans Football Yearbook* our hope is that soccer will continue to build upon the base it established last season as it strives to regain the respect it once enjoyed.

INTRODUCTION

The seventeenth edition of *Rothmans Football Yearbook* contains the usual full coverage of domestic, European and international football, with line-ups, goalscorers and attendances of all matches in the English and Scottish Leagues, as well as the Milk Cup, FA Cup, Skol (Scottish League) Cup and the Scottish Cup. All international matches involving the four home countries and Eire are also covered, together with sections on Welsh and Northern Irish League football and non-League football.

The 1986 World Cup tournament is covered in detail, with team line-ups, results, goalscorers and attendances for all European qualifying matches, similar full details for the South American qualifying tournament, and a full list of results for the other confederations. The final tournament is covered in detail.

New features this year include a new-format presentation of every international team line-up for the four home countries since 1872, European club computer rankings, and an extended records section.

The Editor would like to thank Maurice Golesworthy and Alan Elliott respectively for their assistance in the compilation of the Diary and the Scottish section, and thanks are also due to Dierdre McGarry, whose painstaking and conscientious reading of all the proofs has been of invaluable assistance in the preparation of the book. Special thanks go to Jack Rollin, former editor of *Rothmans Football Yearbook*, whose support and advice have been of immense value to me.

The Editor would also like to pay tribute to the various organisations who have helped to make this edition complete, especially Mike Foster of The Football League, Mike McNamara of The Football Association, and the secretaries of all the Football League and Scottish League clubs for their kind co-operation. The ready availability of Football League secretary Graham Kelly and his staff to answer queries was as usual most appreciated, and thanks are due in equal measure to Jim Farry, the Scottish Football League secretary, and his staff.

ACKNOWLEDGEMENTS

The Editor would like to express his appreciation of the following individuals and organisations for their co-operation: Glynis Firth, Sandra Whiteside, Sheila Murphy and Debbie Singleton (all from The Football League); Adrian Titcombe (The Football Association); The Scottish Football Association, The Welsh Football Association, David C. Thomson of The Scottish Football League; Alan Dick, Malcolm Brodie, C. S. Allatt (The English Schools FA), W. P. Goss (AFA), Jim Bygrave and Jenny Sutton. Finally, thanks to Celia Kent, the house editor of the book, for her support and encouragement during the year, to Mike Henry for his European clubs computer rankings, and to the staff at Hazell, Watson and Viney Ltd for their enthusiasm and help in the production of the book, especially in the final, hectic stages.

LIONEL FRANCIS

Lionel Francis, who contributed to the yearbook for fifteen years, died suddenly at his home near Torquay on 9 July 1986. He held senior rank in the Home Office prior to his retirement in 1981, but his abiding passion was always football. A keen supporter of Arsenal for more than fifty years, he was also an expert in non-League football, and was the author of *Seventy Five Years of Southern League Football*, published by Pelham in 1969. He leaves a widow, Winnie, to whom we extend our deepest sympathy.

EDITORIAL

The baleful glare of Joao Havelange has dominated world football since the retirement of Sir Stanley Rous in 1974. The Brazilian was elected largely on the strength of his appeal to the more obscure footballing nations, who form the majority, and he has made it his business to keep them happy at all times, thus ensuring his continued supremacy.

Sometimes, his policies have been sensible. I am not one of those who criticised the expansion of the World Cup from 16 to 24 finalists, for example. FIFA's insistence on having some representatives from football's third world in the final tournament was difficult to justify when only 16 teams were present and it was so obvious that we were not watching the best 16 teams in the world, as we should have been. Their inclusion became easier to bear after the expansion, and some of those little countries have given us such memorable moments over the years. Now, with 24 finalists, we can look forward to seeing how the minnows get on against the giants, without the disappointment of not seeing other, more skilful sides in action. It has often been argued that a tournament with 24 finalists is unwieldly, but even the Mexicans, struggling in the aftermath of a dreadful earthquake only months before the competition was due to start, proved that 24 candidates can be handled reasonably efficiently.

Neither do I take issue with the decision to go straight to a knock-out format after the first round. Sudden-death matches are the essence of cup football. Few would argue with a league system for the first round, giving everybody a chance to play at least three games before catching the plane home, but thereafter knock-out matches are surely preferable. In Leagues, teams are only too happy to settle for a draw if one point is all they need, and it is difficult to blame them, but the knock-out eighth-finals and quarter-finals in Mexico 86 were certainly an improvement on the sterile second phase in Spain 82.

The ubiquitous penalty shoot-out is another favourite target for the critics, but in fairness it is extremely difficult to devise an alternative – so difficult, indeed, that most of those who have condemned the practice as a travesty of football have been unwilling to grasp the nettle. The alternatives which have been suggested all have drawbacks of their own. They include playing on indefinitely until someone scores a goal (*drawback:* what happens after the last bus has gone and nobody is left in the stadium?); removing six players from each team and playing five-a-side until a goal is scored (*drawback:* this is as much a travesty of football as the penalty shoot-out); determining the result on the number of goals scored in the first round (*drawback:* it would be unfair on those teams who had qualified from the knock-out stages from a difficult group where goals were understandably hard to come by). So it goes on. Penalties are not ideal, but they do provide a result based on skill, which a toss of the coin certainly would not.

So much for those aspects of FIFA policy which I find acceptable. Now for the others, and where better to begin than the beginning? Originally, the 1986 World Cup final tournament was scheduled for Colombia. One would be hard pushed to think of a better example of a banana republic. It is a nasty little country, riddled with corruption, one of the world's main sources of cocaine, and quite obviously a thoroughly unsuitable choice. How FIFA could possibly have selected such a place at all is beyond comprehension, but they then proceeded to compound their folly by announcing that, on reflection, Colombia would be unable to organise a tournament with 24 finalists, and handed the competition to Mexico. Why was Colombia's unsuitability not apparent *before* the selection was made? What happened between FIFA's original announcement and their change of mind? We shall probably never know, but we will always have our suspicions.

Mexico was in many respects a less than satisfactory second choice. The well-publicised drawbacks of heat, humidity and altitude, coupled with the preposterous kick-off times (commercial considerations to the fore, as you would expect from FIFA) made life unnecessarily difficult for most of the finalists, especially the Europeans. But at least Mexico had the track record of having staged, in 1970, one of the most memorable tournaments in recent times. The Mexicans are football-crazy and have, in the Azteca Stadium, one of the most breathtakingly beautiful sporting arenas in the world. So, given that we seem to be stuck with the idea that the World Cup must alternate between South/Central America and Europe, and giving FIFA the benefit of the doubt on the question of them being strapped for a venue at short notice, we move on to what actually happened between 31 May and 29 June 1986.

It became apparent very early in the tournament that the standard of refereeing was woefully inadequate. FIFA decided to invite referees from all over the world. A laudable sentiment, this, but it doesn't take account of the fact that few if any referees from outside

Europe and South/Central America have the necessary experience to handle a competition of this stature. The players had enough to put up with from the climate – surely they were entitled to the best referees, chosen on merit rather than nationality? Clearly not. Señor Havelange has other considerations on his mind.

The policy of choosing referees to run the line is also open to question. Lining is an art in itself, requiring the sort of fine judgement which can only come with experience. Although most referees started their careers as linesmen, by the time they get onto the FIFA referees' list they have left their line careers far behind them. George Courtney, the only English referee in Mexico, realised this and spent some weeks prior to his departure for the finals running the line in minor matches in order to refresh himself. Judging by the dubious nature of so much of the flag-waving in the tournament, not many of his colleagues took the trouble.

The FIFA public relations people went to great lengths to tell us that referees were under strict instructions to ensure fair play. Defensive walls would have to retreat the regulation distance under threat of caution, for example, and of course players would have to tuck their shirts in and pull their socks up. But what ever happened to injury time? We learned that if players went down injured, they would have to be removed from the pitch for treatment so that the game could proceed with the minimum of interruption. For this reason, stretcher-bearers were on standby ready to scramble whenever anybody bit the dust. Those players who like to waste time when their team is in front weren't fazed, however. They simply rolled around in agony until the stretcher arrived, wasted a few more moments arguing about it, and then struggled painfully to their feet, determined to carry on manfully for the sake of their teams. A few more moments would be wasted while the hapless stretcher-bearers beat a retreat, and then the player concerned would effect a miraculous recovery and carry on as if nothing had happened. Maybe I'm wrong, but I can't remember a single one of these cynics being booked for ungentlemanly conduct.

All very well, provided that the referee is prepared to add time on at the end of each half to negate time-wasting tactics. Clearly, the referees in Mexico, with only one or two exceptions, were not, and so the cheats, thus encouraged, prospered. Cheating was not, of course, restricted to time-wasting. Diego Maradona, for all his brilliance, is a cheat and stands condemned as such out of his own mouth. It is understood that the decision of the referee is final, and it is also understood that if a player commits a foul which the referee does not see, there's nothing to be done about it. Such things happen in virtually every match, and everybody, even though they may get excited about it at the time, accepts the situation. However, Maradona stepped way out of line by admitting, on the following day, that he had scored Argentina's first goal against England with his hand. In these circumstances, given FIFA's apparent preoccupation with the concept of fair play, was it too much to expect them to take action, such as suspension for bringing the game into disrepute? Clearly it was, and so long as FIFA is controlled by Joao Havelange, who has as much relevance to the principles of sensible, fair and perceptive management, as Mickey Mouse has to Darwin's theory of evolution, it will continue to be so.

Finally, on the domestic front, there's good news and bad. First the good news. At last the First Division is to be reduced to 20 teams, a process that will take place over the next two seasons. This is good news for a number of reasons, not the least of which is that the job of the international managers will be made that little bit easier. Now for the bad news. New League President Phil Carter has already announced that he is exploring ideas for a new competition, perhaps along the lines of the Full Members' Cup, to fill the gap. Well, what did you expect?

PETER DUNK

Rothmans Football Awards 1986

DAVE BASSETT Wimbledon's life in the Football League has been little short of a modern day fairy story, something of a nine year wonder but interspersed with disappointments before the happy ending of last season when the club won promotion to the First Division. Dave Bassett has been with the Dons during this dramatic period in the club's history, first as a player and more recently as a successful manager who has taken them into the top echelon. His apparently carefree attitude covers up a dedication which has been reflected in a style free from frills which has been the cornerstone of their recent successes.

KENNY DALGLISH Liverpool has been such a wonderful club in recent years that the rather surprise appointment of Kenny Dalglish last year as player-manager forced many wiseacres to dismiss further immediate triumphs at Anfield. How wrong they were. Liverpool achieved the League and Cup double to once more reveal the enormous reserves of patience and stamina which have rightly dubbed them as the country's No. 1 organisation. For Dalglish himself there were personal milestones in other directions. Though he restricted his appearances, his presence was as invaluable as ever and he succeeded in winning his 100th cap for Scotland.

PAT JENNINGS The quiet, likeable Irishman who has graced English football for two decades or more did not manage to figure in one League game during 1985–86 but was arguably the most talked about goalkeeper in the domestic game. He helped Northern Ireland qualify for the World Cup finals with a masterly display at Wembley and went on to record his 119th international appearancce in Mexico, bowing out against Brazil on his 41st birthday. His conduct during a professional career with Watford, Tottenham Hostpur and Arsenal has been exemplary and he even managed to sign for both Spurs and Everton last season as cover for possible injuries, so highly was he regarded.

KIDDERMINSTER HARRIERS Curtailment of fixtures is something players, fans and officials of Kidderminster Harriers must have smiled about last season as they seemed destined to break all records for the number of games in which they participated. Undoubtedly their most auspicious achievement was to reach the final of the Welsh Cup where they pushed Wrexham all the way to a replay before losing by the odd goal. The club managed a respectable third place in the Gola League and provided the competition's leading marksman in Kim Casey with 38 League and Cup goals while Paul Davies scored 21.

GARY LINEKER The 1985–86 season was one which Gary Lineker might be stretched to top in his career. He finished as the leading scorer in the Football League with 30 First Division goals, shrugged off a niggling arm injury to become the ace marksman in the World Cup with six precious goals in Mexico including one against the eventual winners Argentina. On his return he was transferred to Barcelona for £2.75 million. A neat, well-balanced central striker with a direct style, his danger in the penalty area has made him one of the most feared forwards in the game. And all this in his first season at Everton after moving from Leicester City.

JOHN ROBERTSON Despite enjoying their best season for some 25 years, Hearts were robbed of the Scottish League Premier Division championship on the last day of the season. But this in no way retracted the outstanding performances of their striker John Robertson, scorer of 20 League goals for the Tynecastle club. A former schools, youth and Under-21 international, and still only 21, he has progressed as a player of flair and confidence since he made his senior bow in 1981–82. During this time he has averaged almost one goal every two games; a remarkable feat in modern football anywhere.

MILESTONES DIARY 1985–86

July 1985

1 **Allan Clarke** returns to Barnsley as manager nearly five years after leaving them for Leeds. Tribunal decide that **Spurs** will have to pay **West Ham** £400,000 for **Paul Allen** plus an extra £50,000 if he wins 10 England caps. The Football League express concern about the financial losses which clubs will suffer if the Government's Bill to ban alcohol at their grounds becomes Law.

3 A meeting of the **Football League** chairmen agree the package they will present to the Government at a meeting to be held next week to discuss the campaign against crowd hooliganism. They reject Mrs Thatcher's membership card scheme as impracticable and also wish to fight the threatened alcohol ban. They want the Government to drop pools betting tax by 2½% and provide money for ground improvements.

4 In the draw for next season's **European Cup** competitions **Celtic** get the toughest tie—having to meet **Atletico Madrid** in the Cup-Winners' Cup. **Swansea** directors save the club from bankruptcy by agreeing to provide more of their own money to pay the wage bill during the remainder of the close season. **Wolves** sack manager **Tommy Docherty** after just over 12 months in the job. His son Michael is also released from his temporary position as coach.

5 **Chelsea** throw out computerised membership card scheme because it is impracticable to set up before the season commences.

6 **Terry Butcher**, one of Ipswich Town's most popular players, decides to stay with the club.

8 **Sunderland** announce that **Lawrie McMenemy** has agreed to join them as manager. He has been mananger of Southampton for more than 11 years. Southampton coach **Lew Chatterley** will also join Sunderland.

9 Tribunal decide that **Spurs** must pay Newcastle £590,000 for England striker **Chris Waddle**. Newcastle were asking £750,000. A fee of £132,000 is fixed on **Mick Lillis**, transferred from Huddersfield to **Manchester City**. **Tranmere Rovers** appoint **Frank Worthington** player-manager.

10 **Andy Gray** returns to **Aston Villa** from Everton for £150,000. Villa sold him to Wolves for £1.4m in 1979.

11 **FIFA** relax world ban on English clubs. The ban is now restricted to Europe, including Scotland, Wales and Northern Ireland.

12 **Southampton** appoint Grimsby Town defender **Chris Nicholl** as manager in succession to Lawrie McMenemy, who, by coincidence also moved to Southampton from Grimsby. **Stoke City's** bid to make money from an £8m Asda super-store development on their training ground has been rejected by the local council.

15 With three more added to the list the total number of fans arrested in Britain in connection with the **Brussels** riot is now 28. They have been released on police bail until September 25. **Garth Crooks** moves from Spurs to **WBA** for £100,000.

17 Sports minister **Neil Macfarlane** admits that the Government's national identity card scheme for football could not be brought in for start of the coming season but hopes it will be in for 1986–87.

18 Prize money for the 1985–86 **Milk Cup** is increased by £70,000 to a total of £560,000. The Wembley winners will get £72,000. FA clear **Millwall** of any blame for riot at **Luton** last season and quash the £7500 fine on appeal.

19 Tribunal fix transfer fee of £285,000 on **Imre Varadi**'s move from Sheffield Wednesday to WBA. Wednesday had wanted £450,000.

22 It is reported that 250 of the **PFA**'s 1750 members are still without a club—the highest number of unemployed professional footballers since the war.

23 A business survey shows that only 36 of the 92 Football League clubs were out of the red in the last financial year. **Everton** must pay **Leicester** £800,000 for England striker **Gary Lineker** and also hand over a third of the profit if they sell him within two years.

24 The interim report by **Mr Justice Popplewell** to the Home Secretary on his findings regarding the Bradford fire and the Birmingham riot sets out recommendations which would prove costly to many clubs. But the judge rightly places safety of the public above the interests of the clubs. He urges the use of **closed circuit TV** on all First and Second Division grounds as well as a few in the other two divisions, and recommends **tougher penalties** for hooligans. A **national identity card** system is also suggested.

25 The Government's Bill to **ban alcohol** at sporting events is given the Royal Assent and becomes an Act of Parliament. This brings England and Wales into line with Scotland where alcohol has been banned at these events since 1980. **Leicester** sign Ipswich defender **Russell Osman** for £200,000. **Manchester United** offer **Norman Whiteside** and **Mark Hughes** deals after refusing bids from Italian clubs. Reports that **Mike Channon** would be joining Wolves as player-coach are denied, but it is not certain who turned who down.

26 The **Scots** are allocated only 12,000 tickets for the **World Cup** game with Wales at Ninian Park but there is hope of closed circuit TV.

27 Early sign that **Ian Rush** is on the goal-path again this season—he scores a hat-trick for **Liverpool** as they beat Burnley 5-1 in a friendly at Turf Moor.

28 England 1966 World Cup team beat their old West German opponents 6-4 in a nostalgic game played at Leeds for the victims of the Bradford fire disaster. 46-year-old **Geoff Hurst** repeated his hat-trick of 1966.

29 **FA** fine **Birmingham** £5000 in connection with the riot at the Leeds game last season when a boy was killed.

30 In a meeting at **10 Downing Street** football leaders agree to urge the clubs to introduce identity

cards. They were, however, apparently unable to extract any financial help from the Government. **Mrs Thatcher** mentioned the £800,000 fee recently paid by Everton to Leicester for Gary Lineker as an indication of wealth. Following breakdown of negotiations for the transfer of **WBA** striker **Garry Thompson** to Swiss club **Servette**, Aston Villa move in with a £300,000 bid. **Wolves** are granted an extra 10 days to find £1.7m needed to stave off bankruptcy. A winding-up order has been brought in the Birmingham High Court. The club and their owners also announce that they are suing former chairman **Derek Dougan** for £300,000.

August 1985

1 **Scottish League** sign TV deal said to be worth over £300,000 for each of the next two seasons but there is anger among many of their clubs, especially about the decision to allow live-on-Sunday matches. Mrs Thatcher again makes it clear that she expects football clubs to face up to their responsibilities and rejects pleas of poverty. **Northampton Town** are ordered to close their main stand and supporters' club because of the fire hazard.

2 **Notts County** will issue identity cards for fans in time for start of the season.

4 After a testimonial match for **Glenn Hoddle** between Spurs and Arsenal which ended in a 1-1 draw, the player looks like collecting around £50,000 from a gate of 13,567.

6 **FA** fine **Wimbledon** £3000 after their players top 250 disciplinary points last season for the third time. Rangers transfer **Robert Prytz** to Gothenburg for £100,000.

7 **Portsmouth** sign 36-year-old former England striker **Mick Channon** on a monthly contract. He has scored 223 League goals. Tribunal fix £275,000 transfer fee on goalkeeper **Chris Turner** moving from Sunderland to **Manchester United**. Despite the deadlock over football on TV an agreement is reached to screen highlights of Saturday's **FA Charity Shield** match because part of the proceeds go to the Bradford Disaster Fund.

8 **Sheffield Wednesday** pay a club record £450,000 transfer fee for **Garry Thompson** from WBA. **Colin Murphy** accepts managership of **Stockport County**. **UEFA** rejects **Liverpool's** appeal against ban from Europe.

Champions **Everton** go down 3-1 at Leicester. All three newly-promoted clubs in the First Division escape defeat, Manchester City and Oxford drawing at Coventry and WBA respectively, while Birmingham win 1-0 at home to West Ham. 5 More clubs drop out of the new Football League competition—**Full Members' Cup**—which will be launched today with only 27 of the First and Second Division clubs. Critics have accused the League of 'greed' and cluttering fixtures in a critical World Cup season. **Crystal Palace** manager **Steve Coppell** is delighted to have drawn his old club, Manchester United, in the Second Round of the Milk Cup. United are 6-1 favourites to carry off this trophy. Lack of demand for tickets prompts **Luton** to scrap the idea of an all-ticket game for tomorrow's visit of Chelsea. Last season Luton was the scene of one of football's worst riots.

6 **Everton's Steve McMahon** signs for Liverpool in £350,000 transfer. He had turned down a move to Liverpool when Villa signed him for £300,000 in May 1983. Jock Stein's successor as manager of Scotland could be Aberdeen's **Alex Ferguson** or Manchester City's **Billy McNeill**.

12 **Football League** adopt an identity card scheme for regular supporters but it falls short of the Government's demand that every fan carries a card. The League leaves the gate open for clubs to fill half the ground's capacity on a casual basis excepting certain big matches where trouble may be anticipated.

In the Scottish League no 100% records remain although **Celtic**, **Clyde** and **Queen of the South** have yet to lose. Play is held up for four minutes at **Ibrox** to clear a pitch invasion after Rangers' **Craig Paterson** and **Hugh Burns** are ordered off in a 3-0 defeat by Aberdeen. In the Third Division **Reading** equal the 25-year-old record winning their 11th game of the season—1-0 at home to **Bolton**. **Charlton's** first home game at Selhurst Park attracts 5552, not much different than the average for the season so far at **The Valley**. They beat Sunderland 2-1.

In their search for a new manager, **WBA** have talks with **Mansfield's Ian Greaves**. Mansfield would be looking for substantial compensation to release him.

Struggling **Leicester's** gate drops to 7237 for the visit of **WBA**, the lowest attendance at Filbert Street for a First Division game for nearly 40 years. The game ends in a 2-2 draw—Albion's first away point of the season. This leaves **Queen of the South** as the Scottish League's only undefeated side in this campaign. They lead the Second Division, but only two points ahead of **Dunfermline**.

15 **Alex Ferguson** will continue as **Scotland's** caretaker manager. Only 1086 turn up to see **Coventry** draw 1-1 with **Millwall** in the **Full Members' Cup**—probably an all-time low for the first team game at Highfield Road. With **Ian Greaves** deciding not to move from **Mansfield**, **Nobby Stiles** will continue as **West Brom's** caretaker manager until end of season. **Bryan Robson** resigns at **Carlisle United** and **Bob Stokoe** takes charge again. **Hull City**, who called in the Official Receiver in 1982 with nearly £1m debts, announce a record profit of over £92,000 last season. 16 With a good first-half display **England** beat **Turkey** 5-0 at Wembley to qualify for Mexico. **Gary Lineker** scores a hat-trick. Turkey seldom got in a shot to test **Peter Shilton** who created a **record** for an England goalkeeper by winning his 74th cap. **Northern Ireland** surprise a lot of people with a 1-0 win in Bucharest which means that they will only need to draw with England in November to qualify. **Jimmy Quinn** scored the all-important goal. **Scotland** failed to gain the morale-boosting victory needed for their forthcoming World Cup Qualifying play-off matches when they missed so many chances and could only draw 0-0 in a friendly with **East Germany** at Hampden. In another World Cup Qualifying tie **Republic of Ireland** go down 2-0 to **USSR** in Moscow. **Wales** lose a friendly with **Hungary** 3-0 in Cardiff. **Bangor City** will charge £15 for a seat and £6 to stand when they meet **Atletico Madrid** in the Cup-Winners' Cup. The First Division would be reduced to 20 clubs. Not a new idea but with gates dropping some such action will have to be taken. **FA** secretary **Ted Croker's** reported liking for a new **Super League** comes in for criticism by the **Football League**. Another three-hour meeting between the League and the TV companies breaks up in deadlock. There is a 20-minute black-out at the **Charlton v Chelsea** Full Members' Cup game which ends in a 3-1 win for the visitors.

24 With no progress on a TV agreement the **FA** and **Football League** are angered by Thames TV's showing of extracts from Scottish and Welsh clubs' games in European competitions this week. Indeed, the League have stopped Saturday's **Chelsea–Manchester United** game being shown live overseas. **Stockport** manager **Colin Murphy** is reported to have accepted a move to **Saudi Arabia**.

30 **Derby County**, a much improved side these days, and the only remaining Third Division club in the **Milk Cup**, are k.o.'d by **Nottingham Forest**. **Brian Clough**'s triumphant return to the Baseball Ground ends in a 2-1 win for the Forest.

31 Top teams **Manchester United** and **Liverpool** are drawn to meet at Anfield in the Milk Cup, Fourth Round. Following an attendance of less than 5000 at **Birmingham** for last Thursday's Milk Cup tie with Southampton, **Birmingham** chairman **Keith Coombs** revives thoughts of a ground-sharing scheme with Aston Villa.

November 1985

1 Further talks between the **League** and **TV** end without agreement. **Swansea City** are unable to pay wages today and the club appeals for a gate of at least 6000 for tomorrow's game with Bury so that the necessary cash becomes available. In the Third Division **Stockport** beat **Cambridge United** 3-1—their first win in a run of seven home League games. This leaves **Stirling Albion** as the only League side in England or Scotland without a home win this season.

In the Scottish League **Hearts** win 1-0 at **Aberdeen** to maintain their four-point lead ahead of **Dundee United** who are still favourites to win the title — that is according to **Alex Ferguson** manager of third placed **Aberdeen**.

19 **Mark Hateley** and **Ray Wilkins** are among the **Milan** players who will get the money they are owed as the club is saved from disaster by a multi-billion lire takeover. The nine **Scottish Premier Division** clubs threatening a breakaway League meet to discuss their demands.

20 **Stewart Robson** (Arsenal), **Steve Hodge** (Aston Villa) and **Peter Beardsley** (Newcastle) are new boys in the England 22-strong squad for next week's friendly with Egypt in Cairo.

21 **Liverpool** are flattered by the score when they beat **Ipswich** 3-0 in the Milk Cup Fifth Round at Anfield.

22 In other Milk Cup Fifth Round ties **Dean Glover's** first goal in senior football earns **Aston Villa** a replay as they hold **Arsenal** to a 1-1 draw, and **Oxford United** easily beat **Portsmouth** 3-1. A number of fans had demanded that this Oxford game be boycotted after the prices went up to **£10** for a **seat**

and **£5** to **stand**. The attendance was **10,334**. **QPR** and **Chelsea** also draw 1-1 but before a capacity crowd of 27,000 which provides QPR with record receipts of **£132,572**. **Bryan Robson** comes through his first match in four months in United's Central League 2-1 defeat at **Barnsley**. **Birmingham** appoint **John Bond** as **manager**. He was left without a job in Swansea's battle against bankruptcy.

24 **Preston North End**, going through the worst spell in their history and only one place off the bottom in the Fourth Division, appoint former England and Manchester United striker **Brian Kidd** to succeed **Tommy Booth** as manager.

25 England skipper **Bryan Robson** is sent off 13 minutes from the end of his first-team come-back in F.A. Cup Fourth Round at **Sunderland**, but **Manchester United** hold on for a goalless draw. **Spurs** can only draw 1-1 at Third Division **Notts County** and this is thanks to a **Ray Clemence** save, while improved **Ipswich Town** shake **West Ham** by forcing a goalless draw at Upton Park. Revitalised **Derby County** win 1-0 at **Sheffield United**. As **Everton** beat **Blackburn** 3-1 at Goodison the country's top scorer, **Gary Lineker**, takes his total of League and Cup goals to 26 by netting twice. In the Third Round of the Scottish Cup **Hearts k.o. Rangers 3-2** while **Dundee** miss a penalty but beat **Nairn County 7-0**.

26 Brave **Chelsea**, down to 10 men after losing **Kerry Dixon** and **Colin Lee**, go down 2-1 at home to a determined **Liverpool** side in their F.A. Cup Fifth Round tie.

27 The **Scottish F.A.** offer **£415,000** incentive to their players to win the World Cup — almost £20,000 for each man in the squad of 22.

28 Representatives of **49** soccer **sponsors** at a meeting in London warn the **Football League** to get their house in order and begin selling the game. They will not tolerate another six months of **TV blackout**. **Bury** beat **Reading** 3-0 in F.A. Cup Fourth Round replay with their all-time record goalscorer **Craig Madden** getting two. **Scotland**, without some of their stars, scramble a disappointing **1-0** win over defensive **Israel** in an almost empty stadium in Tel Aviv. In a **£650,000** transfer deal **Terry Gibson** moves from **Coventry** to **Manchester United** with **Alan Brazil** joining Coventry in part exchange.

29 **England** are flattered by their **4-0** win in **Egypt** and must feel grateful for the good work put in by goalkeeper **Peter Shilton**. Three days after signing **Jim McNally** from **Nottingham Forest**, **Coventry City** complete another major transfer by obtaining the services of England international Nick Pickering from **Sunderland** for £120,000. Sliding **Aston Villa** are k.o.'d 1-0 at **Millwall** in F.A. Cup Fourth Round replay. **Steve Lovell** misses a penalty for **Millwall** before **John Fashanu** gets the winner. Three days after their F.A. Cup defeat by **Liverpool**, **Chelsea** go down 2-0 at home to **QPR** after extra time in a Milk Cup Fifth Round replay.

30 The **28 Scottish First** and **Second Division clubs** reject promotion and relegation proposals put forward by the **nine rebel Premier Division** clubs. **Swansea City's** former directors agree to write off **£800,000** in bank guarantees and loans and so halve the club's debts. Former chairman Doug Sharpe has so far raised £200,000 in his rescue bid. Following remarks alleged to have been made by F.A. chairman **Bert Millichip** there is speculation as to whether **England**'s captain **Bryan Robson** may be charged with bringing the game into disrepute following his sending off for violent conduct in Saturday's F.A. Cup tie with **Sunderland**.

February 1986

1 **Aston Villa** draw 0-0 with **Southampton** in front of their **smallest crowd** for nearly 30 years — **8,456**. **Everton** take over at the top of the table with a 1-0 home win over **Spurs** — the goal scored by **Peter Reid** making his first appearance since an achilles tendon injury put him out in September. In one of the shocks of the season **Ipswich** beat **Liverpool** 2-1 at Portman Road. Under new manager **John Bond**, **Birmingham** win 1-0 at **Oxford**, their first victory since September 21st when they beat **Leicester** 2-1 at home. Another shock is **Reading**'s **6-0 defeat** at **Walsall**, reducing their 17 point lead in Division 3 to 14 points. Despite being reduced to 10 men for nearly all of the second half **Clydebank** hold visiting **Hearts** to a 1-1 draw. At the top of the Scottish First Division **Hamilton Academical** extend their unbeaten run to 11 games with a 3-0 win over **Clyde**. Following their 3-1 home defeat by Charlton, **Middlesbrough** manager **Willie Maddren** resigns. Coach **Bruce Rioch** takes charge until end of season.

2 **England** and **Manchester United** skipper **Bryan Robson** limps off in only his third game after his 12-week absence through injury. This match provided first-class entertainment with United beaten 2-1 by **West Ham**.

3 **Frank Allcock**, **Nottingham Forest director**, resigns over comments made by **Brian Clough** in Saturday's club programme. The manager alleged that Mr Allcock and a former director were offering 7-1 against Forest winning at Manchester United a couple of weeks ago when Forest won 3-2. **Trevor Francis** may be flying home from Italy to play in **Birmingham**'s benefit match for defender **Kevan Broadhurst** in May. Manager John Bond has already made it known that he is keen to sign Francis. Following their 4-0 defeat at **Forfar**, **Dumbarton** manager **Davie Wilson** resigns.

4 **Ipswich Town** again hold **West Ham** to a draw in F.A. Cup Fourth Round replay at Portman Road. There is no score after 90 minutes but each side score once during extra time. In a Milk Cup Fifth Round replay **Aston Villa** win 2-1 at **Arsenal** thus responding to the pressure on manager **Graham Turner** who has been under fire as the club slide into the relegation zone.

5 In the semi-final (1st leg) of the Screen Sport Super Cup, **Everton**, with only three first team regulars, hold **Spurs** to a goalless draw at White Hart Lane, while **Kenny Dalglish** scores a late goal which enables **Liverpool** to draw 1-1 at **Norwich**. The gate at snowy **Tottenham** was only **7,548**.

6 F.A. Cup Fourth Round 2nd replays settle the issue at **Manchester City**, where **Watford** win 3-1, and at **Ipswich** where **West Ham**'s **Tony Cottee** gets the only goal nine minutes from the end of extra time. **Millwall**'s bid in the **High Court** to lift the all-ticket restriction on their home games fails.

8 After losing their previous five League games **Oxford United** shock a **Chelsea** side weakened by injury and suspension with a 4-1 win at Stamford Bridge — Oxford's first away win of the season.

With **32 games postponed** in England and Scotland the **Pools Panel** are in action. **Spurs' lowest** post-war crowd, **13,135**, see them go down 1-0 to **Coventry**. In the Second Division **Norwich complete their 18th game in a row without defeat — a 3-0 victory at Shrewsbury** restoring their six-point lead. In front of guest of honour, **Sir Stanley Matthews**, much travelled striker **Chesterfield**'s **Ernie Moss** scores his **250th** League and Cup goal, but his side is held to a 2-2 draw by **Notts County** in Division 3. With a hat-trick by **Eric Black**, **Aberdeen** enjoy their first Scottish League win in four games beating **Clydebank** 4-1. Talks between the **Scottish Football League** and **TV break down** again and the live TV black-out continues.

9 **Chris Turner** gives a fine display as stand-in goalkeeper for **Manchester United** at **Liverpool** and they force a 1-1 draw. This result means that United are level with **Everton** at the head of the table. United manager **Ron Atkinson** complains bitterly about a brick and aerosol attack on his players as they leave the Anfield Stadium.

11 **Everton** regain their First Division lead as **Gary Lineker** scores another hat-trick and they beat **Manchester City** 4-0. In the middle of one of their poorest seasons for many years three **Rangers'** directors resign. Rangers have won only three of their last nine Premier Division games and are out of the Scottish Cup.

12 The **Football League Management Committee** will not give way to the big clubs who are seeking new voting procedures which would give them more power. Skipper **Terry Fenwick** scores the only goal as **QPR** beat **Liverpool** in the Milk Cup semi-finals 1st leg at Loftus Road. **The Irish League** and the **League of Ireland** agree to resume inter-League matches with a game in Dublin on St. Patrick's Day — March 17th.

13 The **League** lift their all-ticket restriction on **Millwall**'s League games, although the ban relating to F.A. Cup ties remains.

14 **England** manager **Bobby Robson** is delighted with the draw for the **European Championship** which places **England** in qualifying group with **N. Ireland**, **Yugoslavia** and **Turkey**. The Irish are also pleased at the likely boost to their finances. **Scotland** will meet **Belgium**, **Bulgaria**, **Republic of Ireland** and **Luxembourg**. **Wales** are in with **Denmark**, **Czechoslovakia** and **Finland**. **Ron Saunders** is appointed manager of **West Bromwich Albion** with a three-year contract. He becomes the first man to manage all three West Midland clubs — **Aston Villa**, **Birmingham City** and **West Bromwich Albion**.

15 Not a single F.A. Cup Fifth Round tie is decided. All four played today are drawn. The other four are postponed including one to be played on Sunday. **Aberdeen** and **Celtic** are the only clubs to win through to the Fifth Round of the Scottish Cup. **Peterborough** manager **John Wile** makes another come-back to help his Fourth Division side hold Second Division **Brighton** 2-2 at London Road. Indeed, Brighton only equalise through substitute **Steve Jacobs** six minutes from time. The gate receipts of over **£50,000** are a Peterborough record. **Liverpool** scrape a 1-1 draw at **York**, thanks to a **Jan Molby** penalty.

17 First Division chairmen deliver ultimatum to the Football League. They announce their determination to go through with their plan for a Super League if the Football League do not agree to their proposed changes. The **F.A. Cup draw** for the **Sixth Round** is made without a single Fifth Round tie being settled.

18 As fixtures continue to pile up the Football League's insistence that the season must end before May 3rd because of the World Cup seems likely to see many players run off their feet. **York City** take **Liverpool** into extra time at Anfield before the home side could beat them 3-1 in the F.A. Cup Fifth Round (replay). Last season **Liverpool** beat **York** 7-0 at the same stage of the competition. **Watford** will go ahead with a new stand after accepting a **£2.5m tender** — £1m less than the previous scheme they shelved. **Chairman Elton John** will put up **£1m.** The Football League claim that the big clubs who are threatening to breakaway have never submitted any proposals to them in a formal manner.

19 **Millwall**'s Fifth Round F.A. Cup home replay with **Southampton** is postponed for a second time and manager **George Graham** thinks that the game is getting soft — 'the pitch was fit enough for play.' There are renewed demands for a two-week winter break, something that has been argued since time immemorial. The question is when? At a meeting of **Fourth Division** clubs the chairmen are pessimistic about the future and part-time football for them is looming large. As **Rangers** go down 1-0 at **Aberdeen one** player from each side is **sent off** and **seven** are **booked**.

20 **Luton** striker**Brian Stein** goes into hospital for a **knee operation**.

21 **Spurs** report a **loss** of **£528,000** in first six months of this financial year compared with a **profit** of **£821,000** in the same period last year.

22 Only **17 games** in the Football League and eight in the Scottish League survive the weather. Promotion chasing **Derby County** suffer their first defeat in a run of 14 away Third Division games, going down 1-0 at **Chesterfield**. **Everton** win the 134th Merseyside derby 2-0 at Anfield, both goals coming in the last 16 minutes of a keen game. This takes them three points clear at the top. It was **Liverpool**'s first defeat in a run of 20 home First Division games. **Spurs** end a run of six League games without scoring, winning 2-1 at **Sheffield Wednesday**. After their meeting at a Glasgow hotel **Scotland**'s nine full-time clubs announce that they will form a new breakaway League to be known as the **Scottish National League** with headquarters at the Scottish F.A. offices. **Rangers** chairman, **John Paton**, says the time for talking is over. **Clydebank** is the only Premier Division club not in this breakaway.

25 **Wales** win 2-1 in **Saudi Arabia** after a poor first half and manager **Mike England** rejects a lucrative offer to coach the home side. **Chesterfield** manager **John Duncan** helps his club's overdraft by chipping in with the £3,000 he raised through a sponsored 20-mile walk to their away game at Rotherham in December.

26 Making another come-back after injury **Bryan Robson** scored both goals (including one penalty) to

pull England around to a 2-1 win aganst **Israel** in Tel Aviv. **England** were a goal down and did not look too convincing. **N. Ireland** surprised **France** by holding them to a goalless draw in Paris.

27 **England** manager **Bobby Robson** is not happy about criticism levelled at his team believes they are improving and will be at their peak for the World Cup. **Brian Horton** signs three-year contract as **Hull City** manager.

28 **PFA secretary Gordon Taylor** warns clubs that they cannot go on receiving loans from his organisation to help pay players' wages. About 12 clubs have been helped this season.

March 1986

1 **Birmingham** gain their second victory since **John Bond** took over as manager. Their 2-0 win over **QPR** is their first League victory in a run of 11 home League games, during which spell they have dropped from 8th to 21st in the First Division. 26 Football League and Scottish League games are postponed. **Jimmy Case** is one of the stars of **Southampton**'s 1-0 home win over **Manchester United** which attracted their biggest gate of the season so far — 19,012. Only two Scottish Premier Division games are played and both produce **hat-tricks — Ally McCoist** for **Rangers** who beat **Hibernian** 3-1, and **Ray Stephen** in **Dundee**'s 4-0 beating of **Clydebank**.

2 Still without a home win in 1986 **Spurs** go down 2-1 to **Liverpool** at White Hart Lane. **Ian Rush** gets the winner with the last kick of the match.

3 **Brighton** beat **Peterborough** 1-0 in Fifth Round F.A. Cup replay, but **Arsenal** and **Luton** fight out a goalless draw after extra time at Highbury. New **West Bromwich Albion** manager **Ron Saunders** puts **Garth Crooks** and **Mickey Thomas** up for sale. **Cardiff City** are open to offers for a takeover.

4 **Everton** beat a frustrated **Spurs** 2-1 in F.A. Cup Fifth Round replay at White Hart Lane, while **Oxford United** draw 2-2 at Villa Park in Milk Cup semi-final 1st leg, thanks to another couple of goals from **John Aldridge**.

5 **QPR** knock **Liverpool** out of the Milk Cup and are through to the Final with a 2-2 draw at Anfield, giving them a 3-2 aggregate win. **Jan Molby** missed a penalty for **Liverpool** and both of the Londoners' goals are 'own goals' by **Ronnie Whelan** and **Gary Gillespie**.

8 **Southampton** are through to the F.A. Cup semi-finals with a comfortable 2-0 win at **Brighton**, but in the only other Sixth Round tie played **Luton**, playing their fourth game in eight days, surrender a two-goal lead to draw 2-2 with **Everton** at Kenilworth Road. **Watford**'s superior class earns them a 3-0 Fifth Round replay victory at **Bury** (all headed goals). In the League **Spurs** fans brighten up after their favourites beat **WBA** 5-0 at White Hart Lane. Unfortunately only **10,841** were in attendance. **Norwich City**'s 20-match unbeaten record is ended 2-1 at **Wimbledon** in the Second Division promotion race. Scottish Cup favourites **Celtic** suffer a shock **4-3** defeat in a Fifth Round thriller at **Hibernian** — there were three goals in the last six minutes. This **Celtic** defeat means that the Old Firm (**Rangers** and **Celtic**) will not be represented in the semi-finals for the first time in eight years.

9 F.A. Cup holders **Manchester United** have their dreams of a League and Cup double shattered at Old Trafford where they are surprisingly beaten 2-0 by **West Ham** in a Fifth Round replay. **Hearts** win through to the semi-finals of the Scottish Cup by beating **St. Mirren** 4-1.

10 Following their Cup k.o. **Manchester United** are more determined than ever to win the League and they sign **Nottingham Forest** striker **Peter Davenport** for **£575,000**. The possibility of a Merseyside F.A. Cup Final is still on after the draw for the semi-finals keeps **Everton** and **Liverpool** apart. **Newport County** manager **Bobby Smith** resigns after four defeats in a row. Player-coach **John Relish** takes charge. It is the club's 15th post-war managerial change.

11 With a fine display by **Tony Coton** in goal **Watford** hold **Liverpool** to a goalless draw in F.A. Cup Sixth Round tie at Anfield. It is significant that **Southampton** gain their first away League victory of the season 2-0 on **QPR**'s plastic pitch.

12 **Oxford United** deservedly reach Wembley with a 2-0 win over **Aston Villa** in 2nd leg of Milk Cup semi-finals at Manor Ground. This sees them through 4-3 on aggregate. In the F.A. Cup Sixth Round replays **Everton** and **Sheffield Wednesday** enjoy wins over **Luton** and **West Ham** respectively. **Luton** goalkeeper **Les Sealey** saves a penalty and their substitute **Ray Daniel** crashed a shot against an **Everton** upright before they lose 1-0. It was, of course, **Gary Lineker** who scored the winner. There are five goals in the first half-hour at Leicester where the home side hammer **Birmingham** 4-2 in a First Division game. **Newcastle**'s temporary manager **Willie McFaul** is confirmed as manager on a permanent basis. The **Football Trust** are giving clubs another **£400,000** to help meet increased costs of policing games.

13 Figures published today show that a year ago there were more than **40 Football League players** paid over **£50,000** for a year's wages. **Mark Hughes**, set to join **Barcelona** in a **£2m** transfer at end of season, is dropped by **Manchester United** for Saturday's game at **QPR**. **Aston Villa** are involved in further transfers worth **£250,000** in their efforts to stave off relegation. They sign **Steve Hunt** from **West Bromwich** and **Andy Blair (formerly with Aston Villa) from Sheffield Wednesday**. **Darren Bradley** goes to **West Bromwich** as part of the deal. This takes Villa's spending on players this season to around **£1.5m**.

14 **Steve Perryman** seems certain to leave **Spurs** on a free transfer after 19 years service following breakdown of talks over a new contract. **Brian Clough** is reported to have called for the resignation of **seven** of his **Nottingham Forest directors**.

15 The expensive **Manchester United** team's hopes of the Championship (they had a 10-point lead earlier in the season) take another blow as they go down 1-0 at **QPR** whose winner is scored by **John Byrne**. However, United hold on to third place behind Everton and Liverpool. West Midlands football seems to be in a bad way as **Aston Villa**, **Birmingham** and **West Bromwich** occupy the last three places in the First Division. At the top of the Fourth Division **Swindon Town** make it eight wins in a row by beating **Burnley** 3-1. It was their 14th consecutive home League victory — a new club record. **Hearts** beat **Motherwell** 2-0, their 21st League game without defeat. Even so they are

only three points ahead of **Dundee United** at the head of the table.

16 **Chelsea** stay in the Championship race with a 1-1 draw at **Everton**, **Kevin Sheedy** getting their equaliser four minutes from the end of a determined fight-back. The England Women's team beat **N. Ireland** 10-0 at **Blackburn**.

17 **Liverpool** beat **Watford** 2-1 in extra time in their F.A. Cup Sixth Round (replay). It was a close call, **Liverpool's Jan Molby equalising an early John Barnes** penalty in the 85th minute. **Ian Rush** got the winner. Hopes that the local **Council** will take over **Wolves** when the **Bhatti** brothers commitment to the club ends on May 31st are dashed. At this stage it seems that nothing can save the club from extinction.

18 Doubts over **England**'s visit to **Tbilisi** to meet **Russia** in a World Cup warm-up next week continue as the Russians do not confirm their agreement to allow the team to fly direct to the Georgian capital instead of going via Moscow. Doctors have told former Leeds and Scotland striker **Eddie Gray** and Birmingham's **Kevan Broadhurst** to give up playing because of knee trouble. In the Third Division **Walsall** beat **Bristol Rovers** 6-0. In the Fourth Division **John Cornwell** scores for **Orient** after only 16 seconds and they go on to beat **Torquay** 4-2. N. Ireland striker **Gerry Armstrong** moves from **West Bromwich** to **Chesterfield** on a free transfer. He had previously been on loan.

19 **Manchester United** show improvement on many recent performances with a 2-0 win over **Luton** at Old Trafford. **Aston Villa** climb out of the bottom three places of the First Division with a 2-1 home victory over much fancied **West Ham** at Villa Park — **Steve Hodge** scores both of their goals. **Aberdeen** go out of the European Cup in a goalless draw in Gothenburg. The Swedish club drew 2-2 at Pittodrie in the 1st leg and, therefore, go through on the away goals rule.

20 Speculation about **Terry Venables'** next post begins as **Barcelona** announce that he will be leaving them on June 30th. The Spanish club are said to want **Everton**'s **Howard Kendall** as replacement.

21 Overwhelmed by all the speculation **Terry Venables** says that he may take **a year off** to let things settle down. Threats by the F.A. to cancel **England**'s visit to **Russia** are ended at the 11th hour as the Soviets approve England's flight plan. **Bury**'s record goalscorer **Craig Madden** joins **West Bromwich Albion** in **£50,000** transfer.

22 **Oxford United** suffer their **heaviest-ever League defeat** going down **6-0** at **Liverpool** where Ian Rush scores in the first minute. **Liverpool** are joint top with **Everton**, both clubs having the same goal difference. **Arsenal**'s 3-1 win at home to **Coventry** puts them back in the Championship race but they are hit by a bombshell when manager **Don Howe** asks to be released from his contract. This is related to the disclosure that **Arsenal** had approached **Barcelona** about **Terry Venables**. Second Division leaders **Norwich** gain an impressive 5-2 win at **Sheffield United**. The **Old Firm** entertain the fans at **Ibrox** in a **4-4** draw. **Celtic** were leading 3-1 at one point. **Preston** manager **Brian Kidd** resigns as they rest on the bottom of the League. He had held the post for only two months.

23 **Arsenal** chairman **Peter Hill-Wood** discloses that the club had made up their mind two weeks ago about parting company with Don Howe this summer. After only two wins in their last seven League games worried **Manchester United** don't want **Billy Garton,** loaned to **Birmingham**, training with them during the week before the two sides meet. **Chelsea** win action-packed **Full Members' Cup Final 5-4** against **Manchester City** in front of an excited 68,000 Wembley crowd. **David Speedie** gets a hat-trick for the winners. The **biggest** Fourth Division crowd of the season so far, **10,122**, see **Swindon** held to a goalless draw at home by **Port Vale**, so halting a run of 14 consecutive home wins. Port Vale are now unbeaten in a run of 15 games and move into fourth position.

24 **Terry Venables** flies into Gatwick as speculation grows about him joining **Arsenal**. **Kenny Dalglish** is made a **Freeman of Glasgow**. The **Swansea** saga continues as a High Court judge grants permission for the club to continue at least until the end of the season under receivership.

25 **Steve Perryman** signs for **Oxford United** after **19 years** and **859 games** for **Spurs**. Chief Scout **Steve Burtenshaw** is put in charge of the **Arsenal** team.

26 **England** record one of their finest victories in the run-up to the World Cup by beating **Russia 1-0** in **Tbilisi** with **Chris Waddle** getting the winner in the 67th minute. Russia missed a penalty and it was their first defeat in a run of 18 home internationals as well as the first goal conceded in these games. **Kenny Dalglish** gets his **100th Scottish cap** in 3-0 win over **Rumania** before a 50,000 crowd at Hampden. **N. Ireland** draw 1-1 with **Denmark** in a fine display in Belfast. **Wales**' 1-0 win over **Republic of Ireland** in Dublin is marred by an ankle injury to their goalkeeper, **Neville Southall** of **Everton**.

27 **Sheffield United**, who were in second position in the Second Division four months ago but have since won only five out of 15 League games, sack manager **Ian Porterfield** with half of a 10-year contract still to run. **Billy McEwan** is temporary manager. After losing so much money through the ruling that all home games must be all-ticket, **Millwall** are forced to sell striker **John Fashanu**. He goes to **Wimbledon** for **£125,000**. With goalkeeper **Neville Southall** out for the remainder of the season with an injured ankle **Everton** sign **Fred Barber** from **Darlington** for **£50,000**. They were interested in **Oldham**'s **Andy Goram** but **£350,000** asking price turned them away.

28 As we go into the critical Easter week-end the bottom three places in the First Division are still held by the West Midland clubs **Aston Villa**, **Birmingham** and **West Bromwich Albion**. Although recovered from injury **Kerry Dixon** (91 goals in 143 games) is dropped by **Chelsea** for the first time. In the Third Division **Plymouth Argyle** are back in serious contention for promotion with a 2-1 win at **Cardiff**. They have lost only one of their last nine games.

29 **Bryan Robson** makes his **Manchester United** comeback after injury with his right shoulder in a special harness. There is criticism for playing him in this condition but he scores the equaliser in a 1-1 draw at **Birmingham**. Championship rivals **Everton** beat **Newcastle** by a single goal but **Liverpool** are held to a goalless draw at **Sheffield Wednesday**. **Chelsea** without **Dixon** are beaten 4-0 by stylish **West Ham** at Stamford Bridge. In the Fourth Division **Mansfield Town** suffer their first home defeat of the season going down 3-2 to struggling **Preston**. In Scotland **Celtic** win 5-0 at **Clydebank** with a

Brian McClair hat-trick, but **Hearts** make it 24 Premier Division games in a row without defeat as they gain a convincing 3-1 win over **Rangers** at Tynecastle.

31 On this Easter Monday **Liverpool** take over top place (on goal difference) for the first time this season after beating **Manchester City** 2-0 with both goals by **Steve McMahon**. Runners-up **Everton** and **Manchester United** fight out a goalless draw at Old Trafford where leading scorer **Gary Lineker** limps off after 53 minutes. As managerless **Arsenal** lost their second game in three days (this time 2-0 at home to **Watford**) a number of angry fans massing outside the main entrance demonstrated against chairman Peter Hill-Wood. Shock of the day is **Chelsea**'s **6-0** thrashing at **QPR where Gary Bannister** gets a hat-trick. That's ten goals against in 48 hours.

April 1986

1 **Arsenal** lose their third game in a row — 3-0 at **Watford**. Two goals in less than a minute by **Luton** push **West Bromwich** closer to relegation in a 3-0 defeat at Kenilworth Road. Despite the situation at the end of last season when **Coventry** avoided relegation by beating champions **Everton** 4-1 and so sent **Norwich** into the Second Division 12 days after the Canaries had completed their programme and three weeks after Everton had clinched the title, the Football League are forced once again to **extend the season** beyond **May 3rd**. **Partick Thistle** sack manager **Benny Rooney** and appoint **Bertie Auld** for his second spell in charge. He was their manager from 1974 to 1980.

4 After six games without a win **Coventry City** sack assistant manager **Frank Upton**.

5 There will be an all-Merseyside F.A. Cup final — a repeat of the Milk Cup Final of two years ago. In the semi-finals **Everton** without **Gary Lineker** beat **Sheffield Wednesday** and **Liverpool** gain a 2-0 win over luckless **Southampton**, whose England defender, **Mark Wright**, is carried off with a **broken shin bone**. In this game there was no score after 90 minutes but **Ian Rush** netted twice in extra time. Tragedy is that Mark Wright will miss the World Cup Finals. **Everton** also won in extra time with **Graeme Sharp** getting the vital goal. Meanwhile, in the League **Manchester United** close the gap at the top by winning 3-1 at **Coventry**. Scottish League leaders **Hearts** are in for the League and Cup double after beating **Dundee United** 1-0 in the Cup semi-finals with a superb goal by **John Colquhoun**. They will meet **Aberdeen** in the Final as the Dons beat **Hibernian** 3-0 in a fiery game. **Hamilton Academical** clinch promotion to the Premier Division with seven games still to play. Playing a defensive game **Hearts** suffer their first defeat in 27 League games (beaten 2-0 at **Dundee**) and **Celtic** steal the title in real Championship style with a 5-0 win at **St. Mirren**. This was **Celtic**'s **eighth win** in a row. **Rangers** finished with a 2-0 win over **Motherwell** but their total of **35 points** is their **lowest** for **35 years**. Barcelona's **Steve Archibald** has had a spell of injury but Chelsea's **David Speedie**'s omission was a real shock. Following their failure to gain promotion **Mick Channon** is among six players given free transfers by **Portsmouth**. The total number of players released by Football League clubs (335) is 14% up on last season. Following their European Cup defeat, **Barcelona** are ready to spend another £3m on new players. INTRODUCTION TO THE CLUB SECTION

The team photographs which appear on the first of each club's four pages in this section of the yearbook were taken at the beginning of the 1985–86 season, and therefore relate to the season covered by this edition's statistics.

The second and third pages of each club's section give a complete record of the League season for the club concerned, including date, venue, opponents, result, half-time score, League position, goalscorers, attendance, and complete line-ups, including substitutes where used, for every League game in the 1985–86 season. These two pages also include consolidated lists of goalscorers for the club in League, Milk Cup and FA Cup matches, a summary of results in the two main domestic cups, the full League history of the club, a full list of major honours won and best placings achieved, and a note of the team's first and second choice colours. These colours are checked with the clubs, but please note that second choice colours may vary during the season.

Note that the League position shown after each League result is re-calculated as at every Saturday night, and position after mid-week fixtures will not normally be up-dated. Please also note that the attendance figures quoted for each League game are those which appeared in the Press at the time, whereas the attendance statistics published on pages 431 and 432 are those issued officially by the Football League after the season has been completed.

On the third page of each club's section, the total League appearances for the season are listed at the foot of each player's column. Substitutes are inserted as number 12 where they actually came on to play, and the player taken off has an asterisk against his number. In the totals at the foot of each column substitute appearances are listed separately below the '+' sign, but have been amalgamated in the totals which feature in the players' histories on the final page for each club.

The final page for each club lists all the players included on the Football League's 'Retained' list, which is published at the end of May. Here you will find each player's height, weight, birthplace, birthdate and source, together with total League appearances and goals for each club he has represented.

Any transfers which take place between the publication of the League's Retained list and this book going to press will be included in the transfer section between pages 424 and 430, but the player's details will remain under the club which retained him at the end of the season. An asterisk by a player's name on the fourth page means that he was given a free transfer at the end of the 1985–86 season, while a dagger against a name means that he is a non-contract player.

Editor's note: In the Scottish League, two substitutes are allowed, and so in the Scottish club section of the yearbook (pages 482–557) substitutes where used are listed as 12 and 14, and the second player to be taken off is picked out with a dagger.

THE SCOTTISH SEASON 1985–86

Overshadowing all else that happened this season was the loss to Scottish football of Jock Stein. He was a great but modest man, whose influence on the game was immeasurable on the national side, on the clubs he managed, and on a myriad of players, young and old. He is sadly missed but in no way forgotten.

Ructions seemed imminent in the League set up, and for a long while it appeared that insanity might prevail. To those involved in the prolonged negotiations, it must have seemed a downhill move toward destruction, but in the end a compromise was reached and all now looks set hopefully for an arrangement which will at least give the full-time clubs the chance to consolidate.

Out on the field which, you might think, is where it matters, there was what proved to be one of the best league programmes. When the national team was involved in a visit to Australia, fixtures were upended in the Premier Division, but Hearts, after an indifferent start to the season, managed to keep their fixtures going, and they stole almost inadvertently to the top of the table. No one took this very seriously at the time, but Hearts refused to give up their position and, brushing aside all opposition, they went for 27 league games without defeat, and entered the final straight needing only a modest draw to clinch their first major title since 1960. Alas! it was not to be: Celtic, finishing strongly with eight wins, scored a basketful on the last day to oust Hearts from their position by a slender margin on goal difference. All were disappointed for Hearts, who had come so near, but Celtic, who had not looked really menacing till the run in, are to be congratulated on their fifth Premier title. Dundee United and Aberdeen, hot contenders at the turn of the year, both faltered and rather uncharacteristically failed to maintain their challenge when it mattered, though both teams were plagued by injuries at vital times. Rangers promised much early, but they fell away and had an undistinguished season, particularly away from home; boardroom rearrangements, and the departure of Jock Wallace, allowed for the appointment of Graeme Souness as player/manager and all football fans – and especially Rangers supporters – look forward to next season with eager anticipation. Dundee had a good season overall, and very nearly took the fifth European place from Rangers. Clydebank and

Motherwell vied for bottom place, but they both became less frantic once they knew that relegation did not threaten them this season.

In the First Division Hamilton Accies were always well to the fore, and they are now set to leave this division for the first time. Although, once their top spot was clinched, they relaxed and had some less good results, they did quite enough earlier to indicate that they should be able to tackle sterner opposition with some confidence next season. The fight for the second promotion spot was hard: Dumbarton, then Kilmarnock, then Falkirk all challenged; with two games to go, Forfar suddenly went ahead of the rest, but they could not hold their place, and Falkirk just edged in, with the rest a short head behind. East Fife, though never quite looking like promotion probables, had their best season in years and finished fifth. The other eight teams were all intimately concerned in the relegation shuffle: Alloa were the first to lose touch, but the rest scrambled to avoid that other place: in the end it was Ayr United who joined Alloa in the move to the Second Division, but it was a close thing right to the end.

Coming up to the First Division are Dunfermline Athletic and Queen of the South. They drew steadily ahead from the first days of the season, and although Queen's Park and Meadowbank Thistle each had determined runs, and Stirling Albion finished strongly, none could alter the top positions. Dunfermline, with vastly larger crowds than other clubs in the Second or First Divisions, will indeed be welcome in the upper division. They are an ambitious club, and could well be challenging for further honours soon.

The Skol Cup again proved a popular early season event. There were few upsets, but notable were Hamilton's defeat of Dundee, and Hibs' vast early scoring when they were being totally unsuccessful in their league games; Hibs also disposed of Celtic after a high scoring game and penalties, and subsequently removed the other half of the Old Firm to reach the final with Aberdeen. In a good though rather one-sided game, Aberdeen gave Alex Ferguson the one home trophy he still wanted, and, incidentally, Aberdeen won the cup without conceding a single goal.

The Cup also ran more or less to form. Highland League clubs made their mark, with Nairn county defeating Meadowbank before going down to Dundee, and newcomers Fort William earning a replay with Stirling Albion after a brave draw. Hibs once again defeated Celtic, while Hearts accounted for Rangers in their first game. An all-Edinburgh final was possible at the semi-final stage, but Aberdeen were too good for Hibs, while Hearts won by the odd goal against Dundee United in a game which did not really fulfil expectations. Hearts, fresh from their disappointment at losing the league, were never quite in the hunt against a rampant Aberdeen in the final. Although Hearts fininshed with no trophies, their reputation was much enhanced, and there could be considerable consolation in their assistant-manager Sandy Jardine being voted Player of the Year.

In the Highland League, there was no room at the top for the usual teams. Elgin City finished their programme with a healthy lead, but they could still be caught by two teams, each with three games left to play. Peterhead fumbled the chance, but Forres Mechanics came through triumphantly to record their first title.

The European games this year were rather disappointing in the end. Celtic and Rangers both disappeared quickly; St Mirren gave a rousing performance, and then lost after seeming to be in an impregnable position; while Dundee United and Aberdeen went past the early stages with some ease. United were eventually unlucky to lose to Neuchatel Xamax, though they should have made sure in the first leg: a great second half performance at Tannadice on deepening snow, when they ran rings round the Swiss team, led to their just failing to score enough goals. Aberdeen worked their way into the semi-finals, but failed to take advantage of what looked like the easiest draw (though there are no easy teams at this stage). Two goals conceded at Pittodrie in a drawn game proved an insuperable obstacle, and the second leg was goalless. Let no credit be taken from the Swedes who played with skill and enthusiasm, and took their opportunities when away from home.

We made it all very difficult to qualify for our fourth consecutive World Cup: the draw against Wales, overshadowed by the death of Jock Stein; the non-too-convincing win against a hard-working but not very talented Australian team at Hampden, and the perhaps rather more convincing shut-out in Melbourne. Well, we are in Mexico, but in a brute of a section. Everyone is very hopeful, but there can be no overconfidence in the camp. It is a shame that, in the season in which he won his 100th cap, was given the freedom of his native Glasgow, and won the English League and Cup double as player/manager, Kenny Dalglish should miss his fourth World Cup through injury; and how much we could still do with his experience and flair. However, we have a useful squad available, and can now wish Alex Ferguson and his team good luck, and hope they will produce the form of which they are capable.

The Scottish Football League was reconstructed into three divisions at the end of the 1974–75 season, so the usual relegation statistics do not apply. Further reorganisation took place at the end of the 1985–86 season. For 1986–87, the Premier and First Divisions will have 12 teams each. The Second Division remains at 14.

NORTHERN IRISH FOOTBALL 1985–86

Northern Ireland football will have a new format this season with three points awarded for a win in any of the Irish League competitions, two substitutes permitted but no promotion or relegation.

Sponsorship is to continue with prize money increased while officials are examining the possibility of introducing a contract which would eliminate amateurs in an effort to prevent clubs from 'tapping' players at the end of each season when their agreement expires. It is a problem which has plagued Irish football for years.

Northern Ireland's qualification for the World Cup finals in Mexico overshadowed everything providing an uplift for the domestic game in which no club dominated although Linfield, celebrating their centenary, won the championship for the fifth successive year – one short of the record held by the now defunct Belfast Celtic.

Linfield, formed in March 1886, have arranged 12 months of events with the highlight a match in August against former world club champions Flamengo of Brazil. A tour of the Far East next summer is also in the pipeline.

Glentoran, of course, won the Irish Cup with a dramatic last-minute winning goal from Young Footballer of the Year Paul Millar. Coleraine, Distillery and Crusaders were also among the honours.

Distillery, too, erected a stand at New Grosvenor Stadium while the South Stand at Windsor Park was closed for the entire season under the new fire safety regulations with spectators accommodated in the new £2m North Stand. Portion of the stand had to be demolished and rebuilt with finance from the Government, the Football Trust, the Irish FA and Linfield. It will be in use this season particularly for the European championship game against England which should provide the Irish FA with yet another financial bonanza.

WORLD CUP 1986

THE QUALIFYING COMPETITION

The member nations of FIFA are divided into six confederations: UEFA (Europe), CONMEBOL (South America), CONCACAF (North/Central America and the Caribbean), AFRICA, ASIA and OCEANIA/ISRAEL.

European teams were divided into seven groups, the winner of each group qualifying for the finals. The runners-up in Groups 2, 3, 4 and 6 also qualified, while the runners-up of Groups 1 and 5 played off for a place in the finals. The runners-up in Group 7 played off against the winners of the Oceania/Israel zone for a place in the finals.

The African zone was decided entirely on a knock-out cup basis, with the last two teams left in the competition qualifying for the finals.

The first round of the Concacaf zone was played on a cup system, with nine teams going through to the second round, where they were divided into three groups of three. The winners of these three mini-leagues went forward to the third round, which was again based on a league system, with the top team qualifying for the finals.

The first round of the Conmebol zone was played on a league basis, with the ten entrants divided into two groups of three and one group of four. The winners of each group qualified and the runners-up from the two groups of three joined the second and third-placed teams from the group of four in a two-legged knock-out competition, with the winner qualifying for the finals.

There were twenty-four entrants in the Asian zone qualifying tournament. The first round was played on a league basis, with the teams divided into eight sub-groups. The winners of each sub-group went forward to a knock-out competition to decide which two countries would qualify for the finals.

There were only four entrants in the Oceania/Israel zone, and a league competition decided which team should play off against the runners-up of the European Group 7 for a place in the finals.

Wales' Full International Teams 1876–1985 start on p. 812

BRITISH INTERNATIONAL GOALSCORERS SINCE 1872

Where two players with the same surname and initials have appeared for the same country, and one or both have scored, they have been distinguished by reference to the club which appears *first* against their name in the international appearances section (pages 633–678). Unfortunately, four of the scorers in Scotland's 10-2 victory v Ireland in 1888 are unknown, as is the scorer of one of their nine goals v Wales in March 1878.

THE EUROPEAN CLUB COMPUTER RANKINGS

By Mike Henry

Who were the best club side in Europe last season? Steaua Bucharest? Real Madrid? Dynamo Kiev? It's a very difficult question to answer, largely because of four major weaknesses in the competitive structure of European Club Football.

1. Clubs qualify one year, and play the next, so a very different side may take the field than qualified to do so.

2. One defeat (usually over two legs) and you're out – which tends to give us erratic results.

3. Knock-out competitions give us winners but no rankings – the 'second best' side may have lost to the best in the first round, so progress through the competition is no guarantee of superiority.

4. Only the European Champions' Cup can even tentatively claim to provide us with the 'champions of Europe', by virtue of its qualification procedure. If you win the Cup-Winners' Cup or UEFA Cup it is far less certain what you have achieved.

The concept of a Super League to determine the champions must fail either on the grounds that we would be asking our top players to play too often, or to play less in domestic competitions, which would primarily serve to down-grade them. But if we can, alternatively, provide a credible ranking of top clubs by analysis of the results we already have, then we may overcome the difficulties above without over-tiring or down-grading anybody.

Such a system is Goal Difference Per Game Analysis, a computerised method of comparing results across League and Cup competitions.

In this way, the European Club Computer Rankings draws on all the results from European competitions and domestic leagues in a particular year, and provides ratings and rankings for all the First Division Clubs in Europe (approximately 470) with the exceptions of the Welsh, who do not have a First Division that we would recognize, and the Albanians, who are insufficiently represented in European competition to gain meaningful results – as, of course, were the English last year. All other countries are included.

But what do these rankings mean?

Europe's Top Twenty Clubs: this is an extract of the top twenty clubs in Europe on a Goal Difference Per Game basis over the course of the season under analysis. Each year, the highest rated club on the computer is given a rating of 0, and all the other clubs are related to them. For instance, in 1980/81, computer champions Bayern Munich were 7 hundredths of a goal per game better than their nearest rivals Dynamo Kiev (or about one goal every 14 matches). The strongest English club that season, Ipswich Town, managed 9th position at 0.51 goals per game (or about one goal every two matches) down to the Germans. Results, incidentally, are shown to two decimal places, although the computer works to many more.

Europe's Strongest First Divisions: these listings rank countries according to the strength of the average side in their First Divisions, and offer a valuable insight into relative national standards. Again, results shown are by comparison with the highest rated club in Europe in a particular season. E.g. if Bayern Munich had played in the Spanish League in 1980/81 instead of the German league, the computer tells us that they would have won their games by an average of 1.14 goals, over the course of the season, instead of by about 1.26 goals as they did in Germany. In Luxembourg, by contrast, they could have been expected to knock in 9 goals, with very little reply, every two matches.

Nation of the Decade: average Goal Difference Per Game figures from each year – relative to Europe's top club – are shown. England's omission from European competition last season is not a disadvantage here, as it is in the Club of the Decade competition (see below) where points were almost certainly lost. The number of representative clubs in Europe for each country is also shown, as well as how many matches those representatives have won, for background information and comparison.

Club of the Decade: points are awarded for finishing in the Top Twenty each year (20 for 1st, down to 1 for 20th), and there are also bonus points for achievements in Europe, recognizing that the title requires a high profile in international competition. These points are awarded as follows:

	Champions' Cup	Cup Winners' Cup	UEFA Cup
Winners	6	4	4
Finalists	3	2	2
Semi-Finalists	1	1	1

In conclusion, it must be one of the central functions of competition to determine superiorities and inferiorities, and in attempting, here, to provide the right kind of feedback to the greatest number of competitors, the hope is that we can properly settle – and further stimulate – international rivalries.

The Yugoslavian FA annulled the results of the final round of League games alleging seven of the nine games had been rigged. They ordered the entire programme to be replayed but Partizan, who had finished top, refused to meet Zeljeznicar again and were awarded a statutory 3-0 defeat which effectively robbed them of the championship. The twelve teams marked thus * were also penalised six points from next season's championship.

REVIEW OF THE SEASON

Gateshead finally clinched the championship from under the noses of Merseysiders, Marine, following a maximum point double-header away from home. A Friday night only goal victory at Oswestry Town corresponded with Marine's 2-0 success at Buxton, leaving the Mariners one point ahead with their games completed and a next day trip to Rhyl as helpless bystanders to see if they could retain top spot. This was not to be, with the North Easterners winning more comfortably than the 3-2 scoreline may suggest.

Gateshead, after one year back in the Multipart League, will return to the GM-Vauxhall Conference where they are expected to be joined by the respective champions of the Southern and Vauxhall-Opel Leagues – Welling United and Sutton United. The relegated Gola League club to come back to the Multipart League after a two year absence is Barrow, ironically now managed by Ray Wilkie who only six weeks before was Chairman and Manager at Gateshead. One could understand if Ray was a little confused, particularly as he was well known to be a strong admirer of the Gola League. He was, however, already strengthening his backroom staff at Holker Street in preparation for the next season with the appointment of Chorley based Les Rigby, as his assistant.

At the other end of the table Chorley's last day 2-2 draw at Mossley gave them the point they needed to go above Matlock Town on goal difference, leaving the Derbyshire Club to apply for re-election, along with Goole Town.

SPONSORSHIP

The League are pleased to announce that their sponsorship agreement with Multipart has been extended for another season on slightly more beneficial terms. 1985-86's end of season benefactors, who received their awards at the Annual Dinner on 14 June are top three, Gateshead (£1,000), Marine (£650) and Morecambe (£350) – leading goalscorers, Gateshead (£500), Southport (£300) and Macclesfield Town (£200).

Editor's note: The Southern League will have a different shape in 1986–87. Only two clubs have been relegated from the Premier Division (one of whom is RS Southampton, who have withdrawn from the League), thus increasing the size of the Premier Division to 22 teams. The two regional divisions will be 20 teams each, but the Management Committee have declared their intention to increase these two divisions to 22 teams each in the future.

REFEREEING AND THE REFEREES

by Ken Goldman

Refereeing in the English Football League has seen several developments over the last few seasons. Apart from having to interpret the four-step clause for goalkeepers almost every season, the League has attempted to modernise the game wherever possible. The 1986–87 season should see the introduction of new linesmen's flags which cannot furl because of their design and in the very recent past it has become mandatory for a 'reserve' official to be appointed to each Football League game. Usually it is the local Referees' Society who provide such cover.

Competition for places on the Football League is still as intense as ever and this season there will be 90 names on the Referees' List, an increase of 2, since 12 new names have been added to replace the 10 who have either retired or failed to gain sufficient marks on assessment.

The new referees are Messrs. Bailey, Burge, Don, Elleray, Flood, Harrison, Hart, Ireland, Morton, Watson and Wright. The most senior referee is Ken Baker from Rugby, who came onto the list in 1971 as a referee, although Colin Seel is the longest-serving referee since he was on the Football League Linesman's List before his appointment to the 'middle' in 1973. The FIFA panel representatives on the list are Messrs. Courtney, Hackett, Hill, Martin, Midgley and Worrall, while Allan Gunn has been appointed to that list this year, to replace last season's FA Cup Final Referee Alan Robinson.

The full list of Football League referees with the forename by which they are known and the year of appointment is as follows:

EUROPEAN FOOTBALLER OF THE YEAR 1985

When the results of the poll were announced at Christmas, it was discovered that Michel Platini of Juventus and France had become the first man to win three consecutive European Footballer of the Year awards.

Only Johan Cruyff had previously won the award three times (1971, 1973 and 1974), and not since Raymond Kopa, then playing for Real Madrid, finished in the top three in the polling four times (he won it in 1958) has a Frenchman been so prominent in European soccer. The year that Kopa won the award, Just Fontaine, long-time holder of the World Cup record for most goals in a final tournament, came third, but it was nearly twenty years before a Frenchman – this time Platini – was to figure so highly again. It was 1977, and Michel came third in the polling behind Allan Simonsen and Kevin Keegan. In the 1985 poll, Platini's total of 127 was only one behind his 1984 record total of 128.

There has been much speculation recently about whether Platini will stay with Juventus, but it at least looks likely that he will stay in Italian soccer, having definitely ruled out a move to England or back to France, and Giovanni Trapattoni has been quoted as saying that this brilliant Frenchman could carry on topping the Euro-poll for years to come. Where is the pretender to the throne?

FOOTBALL LEAGUE FIRSTS

The first five Football League games were played on 8 September, 1888. Bolton Wanderers were three goals up in about six minutes against Derby Co, but were eventually beaten 6-3. Cox of Aston Villa scored the first 'own goal', giving Wolverhampton W an early lead, but Villa recovered to draw 1-1.

Huddersfield T became the first team to complete a hat-trick of League Championships – 1924–25–26.

The Football League played their first representative game in April 1891. It was against the Football Alliance at Sheffield and resulted in a 1-1 draw.

Floodlit football

The first-ever game by floodlight was between two Sheffield Association teams at Bramall Lane, 14 October, 1878.

The first Football League game under floodlights was Portsmouth v Newcastle U at Fratton Park, 22 February, 1956.

Equipment, etc.

Shinguards were first introduced and registered by Sam Widdowson of Nottingham F in 1874. The cross-bar first replaced the tape in 1875, and the whistle was used by the referee for the first time in 1878. Goalnets were invented and patented by J. A. Brodie of Liverpool in 1890.

Nottingham F were the first club to use shinguards (1874), the referee's whistle (1878), three half backs (1885), the crossbar instead of tape (1891) and oval section goal posts (1921).

Substitutes

First substitute in a Football League game was Keith Peacock of Charlton Ath, at Bolton, 21 August, 1965.

The first substitute to score in a Football League game was Bobby Knox (Barrow) v Wrexham, Division 4, 21 August, 1965.

From the opening game of season 1946–47 Bell did not miss a single game until August 1955 – a run of 401 consecutive Division 3(N) matches. Including FA Cup, Liverpool Senior Cup and Cheshire Bowl games, Bell enjoyed a run of 459 consecutive first team appearances.

John Trollope created a club record by making 770 League appearances for Swindon T between 1960 and 1980.

In the Scottish League the record for most appearances for a single club was created by Bob Ferrier with 626 for Motherwell between 1918 and 1937.

CHAPLAINCY IN FOOTBALL

by The Revd John Boyers (Watford FC)

The church has had strong links with football for many years. Some of our clubs owe their origins or at best their early progress to the influence of churches, ministers, and church clubs. Today, the clergy are involved in the life of clubs as directors, programme contributors, local radio broadcasters and keen supporters. The Revd Maurice Wood, interviewed on Radio 4 while Bishop of Norwich, revealed his enthusiasm for the 'Canaries', while more recently Cardinal Basil Hume spoke of his keen support for Newcastle United. These are not isolated examples.

However, there is another way in which the clergy are involved in football – as chaplains. Chaplaincy operates in many walks of life – in the forces, in hospitals, in industry, in the theatre, etc. – where a minister seeks to be an available source of support to those who may need him. In the football world, chaplaincy is not a means of achieving a high profile for the chaplain or his church, nor is it a way of getting on the board of directors, nor a way of getting match tickets. Football chaplaincy is simply a way of serving others, supporting those in need and helping those under pressure.

Take, for example, the uncertainties facing new apprentices at a club. It may be the first time the youngsters have left home. The padre can be a friend to these lads to help them through the difficult early stages of their career. Or consider a player who finds that his career is threatened by injury. When facing a major operation, for example, the support of a padre in the form of sympathy, care, concern, and even prayer is often welcomed. Sometimes, a player may be worried about illness in his family, or the fact that a baby is about to be born, or he may need to share confidentially about something weighing on his mind. In all these situations and more, a chaplain can be a friend of the club, a sort of pastoral safety net. He may not be needed all of the time, but he is around and available.

Many football clubs have seen the value of making such an appointment. Usually he is a local clergyman whose church supports his involvement, and who is acceptable to the club's directors and management. He may be a younger man who gets involved actively, or an older man whose effectiveness rests on his maturity and experience of life. Whoever, he must show himself to be trustworthy of the privileged position granted to him, and in turn must be allowed to do his work in a confidential and discreet manner. He is not an arm of the Directors or Management into the workaday side of the club though on occasions his advice to enquirers may include a suggestion to talk to those in authority about a specific situation. He must have time for people – for players and office staff; coaches and groundstaff; directors and apprentices. He is effective when allowed room to work as a friend and confidant within the club. A chaplain can add something to the life of a club which many regard as beneficial. Some managers who know of chaplaincy in their playing days have in turn been keen to establish it in their own clubs. Directors and staffs have sought to maintain chaplaincy where management changes have taken place. Players speak of the help given by chaplains during difficult periods in their lives and careers. Office staff speak warmly of the chaplain's influence and his personal help from time to time.

Some of soccer's chaplains are associated with an organisation called Christians in Sport. Through it they find mutual support for their work, and occasionally, existing chaplains have been involved with Christians in Sport in extending the idea of chaplaincy to other clubs. Further information about this is available from Christians in Sport, PO Box 93, Oxford OX1 1QX. However, whether you wish to consider further the idea or not, do understand that football chaplaincy is not just another gimmick. It is not a case of the church jumping on soccer's bandwagon, but a genuine attempt to serve and support the game and its people with compassion and integrity. The chaplain has a role to play in soccer – as in sport generally, as in wider areas of society. He simply seeks to serve the world of sport, the world of football through his special calling.

COACHING AND THE COACHES

by Ken Goldman

The FA coaching scheme has undergone numerous changes in recent years, and having benefit of sponsorship has enabled considerable progress to be made in the teaching of the game. The highest coaching achievement is still the Full Qualifying Award, but recently, for those who do not quite make the grade but are still good coaches, an Intermediate Award has been introduced. There is also the basic Preliminary Badge, while other courses available include those for Youth Team Managers, Local Team Managers and a Teachers Award for which attendance certificates are given.

In the last couple of years the FA, in conjunction with their sponsors General Motors, have established the National Coaching School, the technical director of which is Dave Sexton, who is also the manager of the England Under-21 and Youth Teams. In addition, numerous Centres of Excellence have been set up around the country.

With that sponsorship the FA have been able to extend the development area for the coaching of football and young footballers, be they boys or girls. They have initiated a new scheme called 'Bobby Robson's Soccer Fun Weeks' for boys and girls aged from 8 to 13 regardless of ability. The coaching at the Fun Weeks concentrates on the improvement of individual techniques and skills. The idea is to provide a base for an educational pyramid which rises through the 'Weeks' then to the Centres of Excellence and on to the pinnacle of the National School. The skills concept is augmented throughout the season by the Super Skills Awards culminating for the best performers with an appearance at Wembley prior to the FA Cup Final.

The Director of coaching and National Team Manager is Bobby Robson, and he is assisted by the Assistant National Coach, Charles Hughes, both of whom can be reached via the Football Association's offices at 16 Lancaster Gate, London W2 3LW (telephone 01-262 4542).

In addition there are seven Regional Coaches: Colin Murphy (London North), Robin Russell (London South), Alf Coulton (Midlands East), Kevin Verity (Midlands West), David Burnside (South West), Jack Detchon (North East) and Mick Wadsworth (North West). All regional coaches can be contacted via the FA.

A recent innovation has been the appointment of a coaching representative to each of the English Counties whose responsibility is first to their appropriate Regional Coach and thereafter to 'Lancaster Gate'. Supplementing the above there are the FA Staff Coaches, appointed by the FA for their dedication to and work for the coaching scheme. The list of these is as follows: Adams J. W., Adamson J., Ainsley G. E., Allen D., Armfield J., Bate R., Beaglehole E. W., Blunt K. R. W., Bond G. E., Bramley J., Brown A., Brown A. W., Burnside D., Burton K., Calvert J. S., Cann S. LAWS OF THE GAME

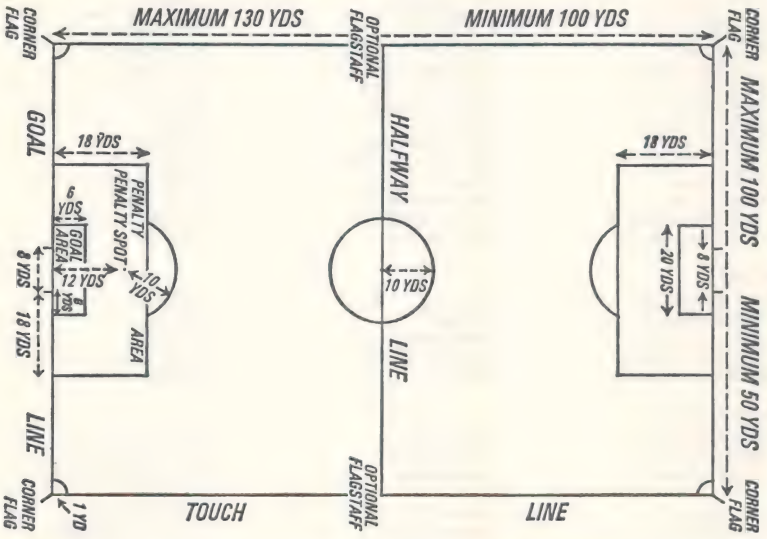
The Laws of the Game and Decisions of the International Board that follow are reproduced with the special permission of FIFA, and the text is the official text as published by FIFA.

LAW I

THE FIELD OF PLAY

The Field of Play and appurtenances shall be as shown in the following plan:



(1) **Dimensions.** The field of play shall be rectangular, its length being not more than 130 yards nor less than 100 yards and its breadth not more than 100 yards nor less than 50 yards. (In International Matches the length shall be not more than 120 yards nor less than 110 yards and the breadth not more than 80 yards nor less than 70 yards.) The length shall in all cases exceed the breadth.

(2) **Marking.** The field of play shall be marked with distinctive lines, not more than 5 inches in width, not by a V-shaped rut, in accordance with the plan, the longer boundary lines being called the touch-lines and the shorter the goal-lines. A flag on a post not less than 5ft high and having a non-pointed top, shall be placed at each corner; a similar flag-post may be placed opposite the half-way line on each side of the field of play, not less than 1 yard outside the touch-line. A half-way-line shall be marked out across the field of play. The centre of the field of play shall be indicated by a suitable mark and a circle with a 10 yards radius shall be marked round it.

(3) **The Goal-Area.** At each end of the field of play two lines shall be drawn at right-angles to the goal-line, 6 yards from each goal-post. These shall extend into the field of play for a distance of 6 yards and shall be joined by a line drawn parallel with the goal-line. Each of the spaces enclosed by these goal lines and the goal-line shall be called a goal-area.

(4) **The Penalty-Area.** At each end of the field of play two lines shall be drawn at right-angles to the goal-line, 18 yards from each goal-post. These shall extend into the field of play for a distance of 18 yards and shall be joined by a line drawn parallel with the goal-line. Each of the spaces enclosed by these lines and the goal-line shall be called a penalty-area. A suitable mark shall be made within each penalty-area, 12 yards from the mid-point of the goal-line, measured along an undrawn line at right-angles thereto. These shall be the penalty-kick marks. From each penalty-kick mark an arc of a circle, having a radius of 10 yards, shall be drawn outside the penalty-area.

(5) **The Corner-Area.** From each corner-flag post a quarter circle, having a radius of 1 yard, shall be drawn inside the field of play.

(6) **The Goals.** The goals shall be placed on the centre of each goal-line and shall consist of two upright posts, equidistant from the corner-flags and 8 yards apart (inside measurement), joined by a horizontal cross-bar the lower edge of which shall be 8ft from the ground. The width and depth of the goal-posts and the width and depth of the

cross-bars shall not exceed 5 inches (12cm). The goal-posts and the cross-bars shall have the same width.

Nets may be attached to the posts, cross-bars and ground behind the goals. They should be appropriately supported and be so placed as to allow the goal-keeper ample room.

Footnote

Goal nets. The use of nets made of hemp, jute or nylon is permitted. The nylon strings may, however, not be thinner than those made of hemp or jute.

Decisions of the International Board

(1) In International Matches the dimensions of the field of play shall be: maximum 110×75 metres; minimum 100×64 metres.

(2) National Associations must adhere strictly to these dimensions. Each National Association organising an International Match must advise the visiting Association, before the match, of the place and the dimensions of the field of play.

(3) The Board has approved this table of measurements for the Laws of the Game:

130 yards	. . . 120 metres
120 yards	. . . 110
110 yards	. . . 100
100 yards	. . . 90
80 yards	. . . 75

50 yards	. . . 45
18 yards	. . . 16.50
12 yards	. . . 11
10 yards	. . . 9.15
8 yards	. . . 7.32

⅜ inch	. . . 0.010
14 ounces	. . . 396 grams
16 ounces	. . . 453 grams
15 lb/sq in	. . . 1 kg/cm^2

(4) The goal-line shall be marked the same width as the depth of the goal-posts and the cross-bar, so that the goal-line and goal-post will conform to the same interior and exterior edges.

(5) The 6 yards (for the outline of the goal-area) and the 18 yards (for the outline of the penalty-area) which have to be measured along the goal-line, must start from the inner sides of the goal-posts.

(6) The space within the inside areas of the field of play includes the width of the lines marking these areas.

(7) All Associations shall provide standard equipment, particularly in International Matches, when the Laws of the Game must be complied with in every respect and especially with regard to the size of the ball and other equipment which must conform to the regulations. All cases of failure to provide standard equipment must be reported to FIFA.

(8) In a match played under the Rules of a Competition, if the cross-bar becomes displaced or broken, play shall be stopped and the match abandoned unless the cross-bar has been repaired and replaced in position or a new one provided without such being a danger to the players. A rope is not considered to be a satisfactory substitute for a cross-bar.

In a Friendly Match, by mutual consent, play may be resumed without the cross-bar provided it has been removed and no longer constitutes a danger to the players. In these circumstances, a rope may be used as a substitute for a cross-bar. If a rope is not used and the ball crosses the goal-line at a point which in the opinion of the Referee is below where the cross-bar should have been he shall award a goal.

The game shall be restarted by the Referee dropping the ball at the place where it was when play was stopped.

(9) National Associations may specify such maximum and minimum dimensions for the cross-bars and goal-posts, within the limits laid down in Law I, as they consider appropriate.

(10) Goal-posts and cross-bars must be made of wood, metal or other approved material as decided from time to time by the International FA Board. They may be square, rectangular, round, half-round or elliptical in shape. Goal-posts and cross-bars made of other materials and in other shapes are not permitted.

(11) 'Curtain-raisers' to International Matches should only be played following agreement on the day of the match, and taking into account the condition of the field of play, between representatives of the two Associations and the Referee (of the International Match).

(12) National Associations, particularly in International Matches, should

— restrict the number of photographers around the field of play.
— have a line ('photographers' line') marked behind the goal-lines at least two metres from the corner flag going through a point situated at least 3.5 metres behind the intersection of the goal-line with the line marking the goal area to a point situated at least six metres behind the goal-posts.
— prohibit photographers from passing over these lines,
— forbid the use of artificial lighting in the form of 'flashlights'.

LAW II – THE BALL

The ball shall be spherical; the outer casing shall

be of leather or other approved materials. No material shall be used in its construction which might prove dangerous to the players.

The circumference of the ball shall not be more than 28in and not less than 27in. The weight of the ball at the start of the game shall not be more than 16oz nor less than 14oz. The pressure shall be equal to 0.61–.1 atmosphere, (=600–1100gr/cm^2) at sea level. The ball shall not be changed during the game unless authorised by the Referee.

Decisions of the International Board

(1) The ball used in any match shall be considered the property of the Association or Club on whose ground the match is played, and at the close of play it must be returned to the Referee.

(2) The International Board, from time to time, shall decide what constitutes approved materials. Any approved material shall be certified as such by the International Board.

(3) The Board has approved these equivalents of the weights specified in the Law: 14 to 16 ounces=396 to 453 grammes.

(4) If the ball bursts or becomes deflated during the course of a match, the game shall be stopped and restarted by dropping the new ball at the place where the first ball became defective.

(5) If this happens during a stoppage of the game (place-kick, goal-kick, corner-kick, free-kick, penalty-kick or throw-in) the game shall be restarted accordingly.

LAW III – NUMBER OF PLAYERS

(1) A match shall be played by two teams, each consisting of not more than eleven players, one of whom shall be the goalkeeper.

(2) Substitutes may be used in any match played under the rules of an official competition at FIFA, Confederation or National Association level, subject to the following conditions:

a) that the authority of the international association(s) or national association(s) concerned, has been obtained,

(b) that, subject to the restriction contained in the following paragraph (c), the rules of a competition shall state how many, if any, substitutes may be used, and

(c) that a team shall not be permitted to use more than two substitutes in any match.

(3) Substitutes may be used in any other match, provided that the two teams concerned reach agreement on a maximum number, not exceeding five, and that the terms of such agreement are intimated to the Referee, before the match. If the Referee is not informed, or if the teams fail to reach agreement, no more than two substitutes shall be permitted.

(4) Any of the other players may change places with the goalkeeper, provided that the Referee is informed before the change is made, and provided also, that the change is made during a stoppage in the game.

(5) When a goalkeeper or any other player is to be replaced by a substitute, the following conditions shall be observed:

(a) the Referee shall be informed of the proposed substitution, before it is made,

(b) the substitute shall not enter the field of play until the player he is replacing has left, and then only after having received a signal from the Referee,

(c) he shall enter the field during a stoppage in the game, and at the half-way line,

(d) a player who has been replaced shall not take any further part in the game,

(e) a substitute shall be subject to the authority and jurisdiction of the Referee whether called upon to play or not.

Punishment:

(a) Play shall not be stopped for an infringement of paragraph 4. The players concerned shall be cautioned immediately the ball goes out of play.

(b) If a substitute enters the field of play without the authority of the Referee, play shall be stopped. The substitute shall be cautioned or sent off according to the circumstances. The game shall be restarted by the Referee dropping the ball at the place where it was when play was stopped, unless it was within the goal area at that time, in which case it shall be dropped on that part of the goal area line which runs parallel to the goal-line, at the point nearest to where the ball was when play was stopped.

(c) For any other infringement of this Law, the player concerned shall be cautioned, and if the game is stopped by the Referee, to administer the caution, it shall be restarted by an indirect free-kick, to be taken by a player of the opposing team from the place where the ball was, when play was stopped. If the free-kick is awarded to a team within its own goal-area, it may be taken from any point within that half of the goal-area in which the ball was when play was stopped.

Decisions of the International Board

(1) The minimum number of players in a team is left to the discretion of National Associations.

(2) The Board is of the opinion that a match should not be considered valid if there are fewer than seven players in either of the teams.

(3) A competition may require that the Referee shall be informed, before the start of the match, of the names of not more than five players, from whom the substitutes (if any) must be chosen.

(4) A player who has been ordered off before play begins may be replaced only by one of the named substitutes. The kick-off must not be delayed to allow the substitute to join his team.

A player who has been ordered off after play has started may not be replaced.

A named substitute who has been ordered off, either before or after play has started, may not be replaced (this decision relates only to players who

are ordered off under Law XII. It does not apply to players who have infringed Law IV).

(5) A player who has been replaced shall not take any further part in the game.

(6) For any offence committed on the field of play a substitute shall be subject to the same punishment as any other player whether called upon or not.

LAW IV – PLAYERS' EQUIPMENT

A player shall not wear anything which is dangerous to another player. Footwear (boots or shoes) must conform to the following standard:

(a) Bars shall be made of leather or rubber and shall be transverse and flat, not less than half an inch in width and shall extend the total width of the sole and be rounded at the corners.

(b) Studs which are independently mounted on the sole and are replaceable shall be made of leather, rubber, aluminium, plastic or similar material and shall be solid. With the exception of that part of the stud forming the base, which shall not protrude from the sole more than one quarter of an inch, studs shall be round in plan and not less than half an inch in diameter. Where studs are tapered, the minimum diameter of any section of the stud must not be less than half an inch. Where metal seating for the screw type is used, this seating must be embedded in the sole of the footwear and any attachment screw shall be part of the stud. Other than the metal seating for the screw type of stud, no metal plates even though covered with leather or rubber shall be worn, neither studs which are threaded to allow them to be screwed on to a base screw that is fixed by nails or otherwise to the soles of footwear, nor studs which, apart from the base, have any form of protruding edge rim or relief marking or ornament should be allowed.

(c) Studs which are moulded as an integral part of the sole and are not replaceable shall be made of rubber, plastic, polyurethene or similar soft materials. Provided that there are no fewer than ten studs on the sole, they shall have a minimum diameter of three-eighths of an inch (10mm). Additional supporting material to stabilise studs of soft materials, and ridges which shall not protrude more than 5mm from the sole and moulded to strengthen it, shall be permitted provided that they are in no way dangerous to other players. In all other respects they shall conform to the general requirements of this Law.

(d) Combined bars and studs may be worn, provided the whole conforms to the general requirements of this Law. Neither bars nor studs on the soles or heels shall project more than three-quarters of an inch. If nails are used they shall be driven in flush with the surface.

The goalkeeper shall wear colours which distinguish him from the other players and from the Referee.

Punishment: For any infringement of this Law, the player at fault shall be sent off the field of play to adjust his equipment and he shall not return without first reporting to the Referee, who shall satisfy himself that the player's equipment is in order; the player shall only re-enter the game at a moment when the ball has ceased to be in play.

Decisions of the International Board

(1) The usual equipment of a player is a jersey or shirt, shorts, stockings, and footwear. In a match played under the rules of a competition, players need not wear boots or shoes, but shall wear jersey or shirt, shorts, or track suit or similar trousers, and stockings.

(2) The Law does not insist that boots or shoes must be worn. However, in competition matches Referees should not allow one or a few players to play without footwear when all the other players are so equipped.

(3) In International Matches, International Competitions, International Club Competitions and friendly matches between clubs of different National Associations, the Referee, prior to the start of the game, shall inspect the players' footwear, and prevent any player whose footwear does not conform to the requirements of this Law from playing until such time as it does comply.

The rules of any competition may include a similar provision.

(4) If the Referee finds that a player is wearing articles not permitted by the Laws and which may constitute a danger to other players, he shall order him to take them off. If he fails to carry out the Referee's instruction, the player shall not take part in the match.

(5) A player who has been prevented from taking part in the game or a player who has been sent off the field for infringing Law IV must report to the Referee during a stoppage of the game and may not enter or re-enter the field of play unless and until the Referee has satisfied himself that the player is no longer infringing Law IV.

(6) A player who has been prevented from taking part in a game or who has been sent off because of an infringement of Law IV, and who enters or re-enters the field of play to join or rejoin his team, in breach of the conditions of Law XII, shall be cautioned. If the Referee stops the game to administer the caution, the game shall be restarted by an indirect free-kick, taken by a player of the opposing side, from the place where the ball was when the Referee stopped the game. If the free-kick is awarded to a side within its own goal-area, it may be taken from any point within that half of the goal-area in which the ball was when play was stopped.

LAW V – REFEREES

A Referee shall be appointed to officiate in each game. His authority and the exercise of the powers granted to him by the Laws of the Game commence as soon as he enters the field of play.

His power of penalising shall extend to offences committed when play has been temporarily suspended, or when the ball is out of play. His decision on points of fact connected with the play

shall be final, so far as the result of the game is concerned. He shall:

(a) Enforce the Laws.

(b) Refrain from penalising in cases where he is satisfied that, by doing so, he would be giving an advantage to the offending team.

(c) Keep a record of the game, act as timekeeper and allow the full or agreed time, adding thereto all time lost through accident or other cause.

(d) Have discretionary power to stop the game for any infringement of the Laws and to suspend or terminate the game whenever, by reason of the elements, interference by spectators, or other cause, he deems such stoppage necessary. In such a case he shall submit a detailed report to the competent authority, within the stipulated time, and in accordance with the provisions set up by the National Association under whose jurisdiction the match was played. Reports will be deemed to be made when received in the ordinary course of post.

(e) From the time he enters the field of play, caution any player guilty of misconduct or ungentlemanly behaviour and, if he persists, suspend him from further participation in the game. In such cases the Referee shall send the name of the offender to the competent authority, within the stipulated time, and in accordance with the provisions set up by the National Association under whose jurisdiction the match was played. Reports will be deemed to be made when received in the ordinary course of post.

(f) Allow no person other than the players and linesmen to enter the field of play without his permission.

(g) Stop the game if, in his opinion, a player has been seriously injured; have the player removed as soon as possible from the field of play, and immediately resume the game. If a player is slightly injured, the game shall not be stopped until the ball has ceased to be in play. A player who is able to go to the touch or goal-line for attention of any kind, shall not be treated on the field of play.

(h) Send off the field of play, any player who, in his opinion, is guilty of violent conduct, serious foul play, or the use of foul or abusive language.

(i) Signal for recommencement of the game after all stoppages.

(j) Decide that the ball provided for a match meets with the requirements of Law II.

Decisions of the International Board

(1) Referees in International Matches shall wear a blazer or blouse the colour of which is distinct from the colours worn by the contesting teams.

(2) Referees for International Matches will be selected from a neutral country unless the countries concerned agree to appoint their own officials.

(3) The Referee must be chosen from the official list of International Referees. This need not apply to Amateur and Youth International Matches.

(4) The Referee shall report to the appropriate authority misconduct or any misdemeanour on the part of spectators, officials, players, named substitutes or other persons which take place either on the field of play or in its vicinity at any time prior to, during, or after the match in question so that appropriate action can be taken by the authority concerned.

(5) Linesmen are assistants of the Referee. In no case shall the Referee consider the intervention of a Linesman if he himself has seen the incident and from his position on the field, is better able to judge. With this reserve, and the Linesman neutral, the Referee can consider the intervention and if the information of the Linesman applies to that phase of the game immediately before the scoring of a gaol, the Referee may act thereon and cancel the goal.

(6) The Referee, however, can only reverse his first decision so long as the game has not been restarted.

(7) If the Referee has decided to apply the advantage clause and to let the game proceed, he cannot revoke his decision if the presumed advantage has not been realised, even though he has not, by any gesture, indicated his decision. This does not exempt the offending player from being dealt with by the Referee.

(8) The Laws of the Game are intended to provide that games should be played with as little interference as possible, and in this view it is the duty of Referees to penalise only deliberate breaches of the Law. Constant whistling for trifling and doubtful breaches produces bad feeling and loss of temper on the part of the players and spoils the pleasure of spectators.

(9) By para. (d) of Law V the Referee is empowered to terminate a match in the event of grave disorder, but he has no power or right to decide, in such event, that either team is disqualified and thereby the loser of the match. He must send a detailed report to the proper authority who alone has power to deal further with this matter.

(10) If a player commits two infringements of a different nature at the same time, the Referee shall punish the more serious offence.

(11) It is the duty of the Referee to act upon the information of neutral Linesmen with regard to incidents that do not come under the personal notice of the Referee.

(12) The Referee shall not allow any person to enter the field until play has stopped, and only then, if he has given him a signal to do so, nor shall he allow coaching from the boundary lines.

LAW VI LINESMEN

Two Linesmen shall be appointed, whose duty (subject to the decision of the Referee) shall be to indicate when the ball is out of play, which side is entitled to the corner-kick, goal-kick or throw-in,

and when a substitute is desired. They shall also assist the Referee to control the game in accordance with the Laws. In the event of undue interference or improper conduct by a Linesman, the Referee shall dispense with his services and arrange a substitute to be appointed. (The matter shall be reported by the Referee to the competent authority.) The Linesmen should be equipped with flags by the Club on whose ground the match is played.

Decisions of the International Board

(1) Linesmen, where neutral, shall draw the Referee's attention to any breach of the Laws of the Game of which they become aware if they consider that the Referee may not have seen it, but the Referee shall always be the judge of the decision to be taken.

(2) National Associations are advised to appoint official Referees of neutral nationality to act as Linesmen in International Matches.

(3) In International Matches, Linesmen's flags shall be of a vivid colour, bright reds and yellows. Such flags are recommended for use in all other matches.

(4) A Linesman may be subject to disciplinary action only upon a report of the Referee for unjustified interference or insufficient assistance.

LAW VII – DURATION OF THE GAME

The duration of the game shall be two equal periods of 45 minutes, unless otherwise mutually agreed upon, subject to the following: (a) Allowance shall be made in either period for all time lost through accident or other cause, the amount of which shall be a matter for the discretion of the Referee; (b) Time shall be extended to permit a penalty-kick being taken at or after the expiration of the normal period in either half.

At half-time the interval shall not exceed five minutes except by consent of the Referee.

Decisions of the International Board

(1) If a match has been stopped by the Referee, before the completion of the time specified in the rules, for any reason stated in Law V it must be replayed in full unless the rules of the competition concerned provide for the result of the match at the time of such stoppage to stand.

(2) Players have a right to an interval at half-time.

LAW VIII – THE START OF PLAY

(a) **At the beginning of the game,** choice of ends and the kick-off shall be decided by the toss of a coin. The team winning the toss shall have the option of choice of ends or the kick-off. The Referee having given a signal, the game shall be started by a player taking a place-kick (i.e. a kick at the ball while it is stationary on the ground in the centre of the field of play) into his opponents' half of the field of play. Every player shall be in his own half of the field and every player of the team opposing that of the kicker shall remain not less than 10 yards from the ball until it is kicked-off; it shall not be deemed in play until it has travelled the distance of its own circumference. The kicker shall not play the ball a second time until it has been touched or played by another player.

(b) **After a goal is scored,** the game shall be restarted in like manner by a player of the team losing the goal.

(c) **After half-time:** when restarting after half-time, ends shall be changed and the kick-off shall be taken by a player of the opposite team to that of the player who started the game.

Punishment: For any infringement of this Law, the kick-off shall be retaken, except in the case of the kicker playing the ball again before it has been touched or played by another player; for this offence, an indirect free-kick shall be taken by a player of the opposing team from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred. A goal shall not be scored direct from a kick-off.

(d) **After any other temporary suspension:** when restarting the game after a temporary suspension of play from any cause not mentioned elsewhere in these Laws, provided that immediately prior to the suspension the ball has not passed over the touch or goal-lines, the Referee shall drop the ball at the place where it was when play was suspended, unless it was within the goal area at that time, in which case it shall be dropped on that part of the goal area line which runs parallel to the goal-line, at the point nearest to where the ball was when play was stopped. It shall be deemed in play when it has touched the ground; if, however, it goes over the touch or goal-lines after it has been dropped by the Referee, but before it is touched by a player, the Referee shall again drop it. A player shall not play the ball until it has touched the ground. If this section of the Law is not complied with the Referee shall again drop the ball.

Decisions of the International Board

(1) If, when the Referee drops the ball, a player infringes any of the Laws before the ball has touched the ground, the player concerned shall be cautioned or sent off the field according to the seriousness of the offence, but a free-kick cannot be awarded to the opposing team because the ball was not in play at the time of the offence. The ball shall therefore be again dropped by the Referee.

(2) Kicking-off by persons other than the players competing in a match is prohibited.

LAW IX – BALL IN AND OUT OF PLAY

The ball is out of play:

(a) When it has wholly crossed the goal-line or touch-line, whether on the ground or in the air.

(b) When the game has been stopped by the Referee.

The ball is in play at all other times from the start of the match to the finish including:

(a) If it rebounds from a goal-post, cross-bar or corner-flag post into the field of play.

(b) If it rebounds off either the Referee or Linesmen when they are in the field of play.

(c) In the event of a supposed infringement of the Laws, until a decision is given.

Decisions of the International Board

(1) The lines belong to the area of which they are the boundaries. In consequence, the touch-lines and the goal-lines belong to the field of play.

LAW X – METHOD OF SCORING

Except as otherwise provided by these Laws, a goal is scored when the whole of the ball has passed over the goal-line, between the goal-posts and under the cross-bar, provided it has not been thrown, carried or intentionally propelled by hand or arm, by a player of the attacking side, except in the case of a goalkeeper, who is within his own penalty-area.

The team scoring the greater number of goals during a game shall be the winner; if no goals, or an equal number of goals are scored, the game shall be termed a 'draw'.

Decisions of the International Board

(1) Law X defines the only method according to which a match is won or drawn; no variation whatsoever can be authorised.

(2) A goal cannot in any case be allowed if the ball has been prevented by some outside agent from passing over the goal-line. If this happens in the normal course of play, other than at the taking of a penalty-kick, the game must be stopped and restarted where the ball came into contact with the interference.

(3) If, when the ball is going into goal, a spectator enters the field before it passes wholly over the goal-line, and tries to prevent a score, a goal shall be allowed if the ball goes into goal unless the spectator has made contact with the ball or has interfered with play, in which case the Referee shall stop the game and restart it by dropping the ball at the place where the contact or interference occurred.

LAW XI – OFF-SIDE

(1) A player is in an off-side position if he is nearer to his opponents' goal-line than the ball, **unless:**

(a) He is in his own half of the field of play, or

(b) There are at least two of his opponents nearer their own goal-line than he is.

(2) A player shall only be declared off-side and penalised for being in an off-side position, if, at the moment the ball touches, or is played by, one of his team, he is, in the opinion of the Referee

(a) interfering with play or with an opponent, or

(b) seeking to gain an advantage by being in that position.

(3) A player shall not be declared off-side by the Referee

(a) merely because of his being in an off-side position, or

(b) if he receives the ball, direct, from a goal-kick, a corner-kick, a throw-in, or when it has been dropped by the Referee.

(4) If a player is declared off-side, the Referee shall award an indirect free-kick, which shall be taken by a player of the opposing team from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

(1) Off-side shall not be judged at the moment the player in question receives the ball, but at the moment when the ball is passed to him by one of his own side. A player who is not in an off-side position when one of his colleagues passes the ball to him or takes a free-kick, does not therefore become off-side if he goes forward during the flight of the ball.

LAW XII – FOULS AND MISCONDUCT

A player who intentionally commits any of the following nine offences:

(a) Kicks or attempts to kick an opponent;

(b) Trips an opponent, i.e. throwing or attempting to throw him by the use of the legs or by stooping in front of or behind him;

(c) Jumps at an opponent;

(d) Charges an opponent in a violent or dangerous manner;

(e) Charges an opponent from behind unless the latter be obstructing;

(f) Strikes or attempts to strike an opponent;

(g) Holds an opponent;

(h) Pushes an opponent;

(i) Handles the ball, i.e. carries, strikes or propels the ball with his hand or arm. (This does not apply to the goalkeeper within his own penalty-area);

shall be penalised by the award of a direct free-kick to be taken by the opposing side from the place where the offence occurred, unless the offence is committed by a player in his opponents' goal-area in which case, the free-kick shall be

taken from a point anywhere within that half of the goal-area in which the offence occurred.

Should a player of the defending side intentionally commit one of the above nine offences within the penalty-area he shall be penalised by a **penalty-kick.**

A penalty-kick can be awarded irrespective of the position of the ball, if in play, at the time an offence within the penalty-area is committed.

A player committing any of the five following offences:

(1) Playing in a manner considered by the Referee to be dangerous, e.g. attempting to kick the ball while held by the goalkeeper;

(2) Charging fairly, i.e. with the shoulder, when the ball is not within playing distance of the players concerned and they are definitely not trying to play it;

(3) When not playing the ball, intentionally obstructing an opponent, i.e. running between the opponent and the ball, or interposing the body so as to form an obstacle to an opponent;

(4) Charging the goalkeeper except when he

(a) is holding the ball;

(b) is obstructing an opponent;

(c) has passed outside his goal-area;

(5) When playing as goalkeeper and within his own penalty area,

(a) from the moment he takes control of the ball with his hands, he takes more than four steps in any direction whilst holding, bouncing or throwing the ball in the air and catching it again, without releasing it into play, or, having released the ball into play before, during or after the four steps, he touches it again with his hands, before it has been touched or played by another player of the same team outside of the penalty area, or by a player of the opposing team either inside or outside of the penalty area, or

(b) indulges in tactics which, in the opinion of the Referee, are designed merely to hold up the game and thus waste time and so give an unfair advantage to his own team—shall be penalised by the award of an **indirect free-kick** to be taken by the opposing side from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

A player shall be **cautioned** if:

(j) he enters or re-enters the field of play to join or rejoin his team after the game has commenced, or leaves the field of play during the progress of the game (except through accident) without, in either case, first having received a signal from the Referee showing him that he may do so. If the Referee stops the game to administer the caution the game shall be restarted by an indirect free-kick taken by a player of the opposing team from the place where the ball was when the Referee stopped the game. If the free-kick is awarded to a side within its own goal-area it may be taken from any point within the half of the goal-area in which the ball was when play was stopped. If, however, the offending player has committed a more serious offence he shall be penalised according to that section of the law he infringed;

(k) he persistently infringes the Laws of the Game;

(l)he shows by word or action, dissent from any decision given by the Referee;

(m)he is guilty of ungentlemanly conduct.

For any of these last three offences, in addition to the caution, an **indirect free-kick** shall also be awarded to the opposing side from the place where the offence occurred unless a more serious infringement of the Laws of the Game was committed. If the offence is committed by a player in his opponents' goal-area, a free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

A player shall be **sent off** the field of play, if:

(n)in the opinion of the Referee he is guilty of violent conduct or serious foul play;

(o)he uses foul or abusive language;

(p)he persists in misconduct after having received a caution.

If play be stopped by reason of a player being ordered from the field for an offence without a separate breach of the Law having been committed, the game shall be resumed by an **indirect free-kick** awarded to the opposing side from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

(1)If the goalkeeper either intentionally strikes an opponent by throwing the ball vigorously at him or pushes him with the ball while holding it, the Referee shall award a penalty-kick, if the offence took place within the penalty-area.

(2)If a player deliberately turns his back to an opponent when he is about to be tackled, he may be charged but not in a dangerous manner.

(3)In case of body-contact in the goal-area between an attacking player and the opposing goalkeeper not in possession of the ball, the Referee, as sole judge of intention, shall stop the game if, in his opinion, the action of the attacking player was intentional, and award an indirect free-kick.

(4)If a player leans on the shoulders of another player of his own team in order to head the ball, the Referee shall stop the game, caution the player for ungentlemanly conduct and award an indirect free-kick to the opposing side.

(5)A player's obligation when joining or rejoining his team after the start of the match to 'report to the Referee' must be interpreted as meaning 'to draw the attention of the Referee from the touchline'. The signal from the Referee shall be made by a definite gesture which makes the player understand that he may come into the field of play; it is not necessary for the Referee to wait until the

game is stopped (this does not apply in respect of an infringement of Law IV), but the Referee is the sole judge of the moment in which he gives his signal of acknowledgement.

(6)The letter and spirit of Law XII do not oblige the Referee to stop a game to administer a caution. He may, if he chooses, apply the advantage. If he does apply the advantage, he shall caution the player when play stops.

(7)If a player covers up the ball without touching it in an endeavour not to have it played by an opponent, he obstructs but does not infringe Law XII para. 3 because he is already in possession of the ball and covers it for tactical reasons whilst the ball remains within playing distance. In fact, he is actually playing the ball and does not commit an infringement; in this case, the player may be charged because he is in fact playing the ball.

(8)If a player intentionally stretches his arms to obstruct an opponent and steps from one side to the other, moving his arms up and down to delay his opponent, forcing him to change course, but does not make 'bodily contact' the Referee shall caution the player for ungentlemanly conduct and award an indirect free-kick.

(9)If a player intentionally obstructs the opposing goalkeeper, in an attempt to prevent him from putting the ball into play in accordance with Law XII, 5(a), the Referee shall award an indirect free-kick.

(10)If after a Referee has awarded a free-kick a player protests violently by using abusive or foul language and is sent off the field, the free-kick should not be taken until the player has left the field.

(11)Any player, whether he is within or outside the field of play, whose conduct is ungentlemanly or violent, whether or not it is directed towards an opponent, a colleague, the Referee, a Linesman or other person, or who uses foul or abusive language, is guilty of an offence, and shall be dealt with according to the nature of the offence committed.

(12)If, in the opinion of the Referee a goalkeeper intentionally lies on the ball longer than is necessary, he shall be penalised for ungentlemanly conduct and

(a)be cautioned and an indirect free-kick awarded to the opposing team;

(b)in case of repetition of the offence, be sent off the field.

(13)The offence of spitting at opponents, officials or other persons, or similar unseemly behaviour shall be considered as violent conduct within the meaning of section (n) of Law XII.

(14)If, when a Referee is about to caution a player, and before he has done so, the player commits another offence which merits a caution, the player shall be sent off the field of play.

LAW XIII – FREE-KICK

Free-kicks shall be classified under two headings: 'Direct' (from which a goal can be scored direct against the offending side), and 'Indirect' (from which a goal cannot be scored unless the ball has been played or touched by a player other than the kicker before passing through the goal).

When a player is taking a direct or an indirect free-kick inside his own penalty-area, all of the opposing players shall be at least 10 yards (9.15m) from the ball and shall remain outside the penalty area until the ball has been kicked out of the area. The ball shall be in play immediately it has travelled the distance of its own circumference and is beyond the penalty-area. The goalkeeper shall not receive the ball into his hands, in order that he may thereafter kick it into play. If the ball is not kicked direct into play, beyond the penalty-area, the kick shall be retaken.

When a player is taking a direct or an indirect free-kick outside his own penalty-area, all of the opposing players shall be at least ten yards from the ball, until it is in play, unless they are standing on their own goal-line, between the goal-posts. The ball shall be in play when it has travelled the distance of its own circumference.

If a player of the opposing side encroaches into the penalty-area, or within ten yards of the ball, as the case may be, before a free-kick is taken, the Referee shall delay the taking of the kick, until the Law is complied with.

The ball must be stationary when a free-kick is taken, and the kicker shall not play the ball a second time, until it has been touched or played by another player.

Notwithstanding any other reference in these Laws to the point from which a free-kick is to be taken:

1.Any free kick awarded to the defending team, within its own goal area, may be taken from any point within that half of the goal area in which the free kick has been awarded.

2.Any indirect free kick awarded to the attacking team within its opponents' goal area shall be taken from that part of the goal area line which runs parallel to the goal-line, at the point nearest to where the offence was committed.

Punishment: If the kicker, after taking the free-kick, plays the ball a second time before it has been touched or played by another player an indirect free-kick shall be taken by a player of the opposing team from the spot where the infringement occurred, unless the offence is committed by a player in his opponents' goal area, in which case the free kick shall be taken from a point anywhere within that half of the goal area in which the offence occurred.

Decisions of the International Board

(1)In order to distinguish between a direct and indirect free-kick, the Referee, when he awards an indirect free-kick, shall indicate accordingly by raising an arm above his head. He shall keep his arm in that position until the kick has been taken and retain the signal until the ball has been played or touched by another player or goes out of play.

(2)Players who do not retire to the proper dis-

tance when a free-kick is taken must be cautioned and on any repetition be ordered off. It is particularly requested of Referees that attempts to delay the taking of a free-kick by encroaching should be treated as serious misconduct.

(3)If, when a free-kick is being taken, any of the players dance about or gesticulate in a way calculated to distract their opponents, it shall be deemed ungentlemanly conduct for which the offender(s) shall be cautioned.

LAW XIV – PENALTY-KICK

A penalty-kick shall be taken from the penalty-mark and, when it is being taken, all players with the exception of the player taking the kick, and the opposing goalkeeper, shall be within the field of play but outside the penalty-area, and at least 10 yards from the penalty-mark. The opposing goalkeeper must stand (without moving his feet) on his own goal-line, between the goal-posts, until the ball is kicked. The player taking the kick must kick the ball forward; he shall not play the ball a second time until it has been touched or played by another player. The ball shall be deemed in play directly it is kicked, i.e., when it has travelled the distance of its circumference, and a goal may be scored direct from such a penalty-kick. If the ball touches the goalkeeper before passing between the posts, when a penalty-kick is being taken at or after the expiration of half-time or full-time, it does not nullify a goal. If necessary, time of play shall be extended at half-time or full-time to allow a penalty-kick to be taken.

Punishment: For any infringement of this Law:

(a)by the defending team, the kick shall be retaken if a goal has not resulted.

(b)by the attacking team other than by the player taking the kick, if a goal is scored it shall be disallowed and the kick retaken.

(c)by the player taking the penalty-kick, committed after the ball is in play, a player of the opposing team shall take an indirect free-kick from the spot where the infringement occurred. If, in the case of paragraph (c), the offence is committed by the player in his opponents' goal-area, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

(1)When the Referee has awarded a penalty-kick, he shall not signal for it to be taken, until the players have taken up position in accordance with the Law.

(2)(a)If, after the kick has been taken, the ball is stopped in its course towards goal, by an outside agent, the kick shall be retaken.

(b)If, after the kick has been taken, the ball rebounds into play, from the goalkeeper, the cross-bar or a goal-post, and is then stopped in its course by an outside agent, the Referee shall stop play and restart it by dropping the ball at the place where it came into contact with the outside agent.

(3)(a)If, after having given the signal for a penalty-kick to be taken, the Referee sees that the goalkeeper is not in his right place on the goal-line, he shall, nevertheless, allow the kick to proceed. It shall be retaken, if a goal is not scored.

(b)If, after the Referee has given the signal for a penalty-kick to be taken, and before the ball has been kicked, the goalkeeper moves his feet, the Referee shall, nevertheless, allow the kick to proceed. It shall be retaken, if a goal is not scored.

(c)If, after the Referee has given the signal for a penalty-kick to be taken, and before the ball is in play, a player of the defending team encroaches into the penalty-area, or within ten yards of the penalty-mark, the Referee shall, nevertheless, allow the kick to proceed. It shall be retaken, if a goal is not scored.

The player concerned shall be cautioned.

(4)(a)If, when a penalty-kick is being taken, the player taking the kick is guilty of ungentlemanly conduct, the kick, if already taken, shall be retaken, if a goal is scored.

The player concerned shall be cautioned.

(b)If, after the Referee has given the signal for a penalty-kick to be taken, and before the ball is in play, a colleague of the player taking the kick encroaches into the penalty-area or within ten yards of the penalty-mark, the Referee shall, nevertheless, allow the kick to proceed. If a goal is scored, it shall be disallowed, and the kick retaken.

The player concerned shall be cautioned.

(c)If, in the circumstances described in the foregoing paragraph, the ball rebounds into play from the goalkeeper, the crossbar or a goal-post, the Referee shall stop the game, caution the player and award an indirect free-kick to the opposing team from the place where the infringement occurred.

(5)(a)If, after the referee has given the signal for a penalty-kick to be taken, and before the ball is in play, the goalkeeper moves from his position on the goal-line, or moves his feet, and a colleague of the kicker encroaches into the penalty-area or within 10 yards of the penalty-mark, the kick, if taken, shall be retaken.

The colleague of the kicker shall be cautioned.

(b)If, after the Referee has given the signal for a penalty-kick to be taken, and before the ball is in play, a player of each team encroaches into the penalty-area, or within 10 yards of the penalty-mark, the kick, if taken, shall be retaken.

The players concerned shall be cautioned.

(6)When a match is extended, at half-time or full-time, to allow a penalty-kick to be taken or retaken, the extension shall last until the moment that the penalty-kick has been completed, i.e. until the Referee has decided whether or not a goal is scored.

A goal is scored when the ball passes wholly over the goal-line,

(a)direct from the penalty-kick.

(b)having rebounded from either goal-post or the cross-bar, or

(c)having touched or been played by the goalkeeper.

The game shall terminate immediately the Referee has made his decision.

(7)When a penalty-kick is being taken in extended time:

(a)the provisions of all of the foregoing paragraphs, except paragraphs (2)(b) and (4)(c) shall apply in the usual way, and

(b)in the circumstances described in paragraphs (2)(b) and (4)(c) the game shall terminate immediately the ball rebounds from the goalkeeper, the cross-bar or the goal-post.

LAW XV – THROW-IN

When the whole of the ball passes over a touch-line, either on the ground or in the air, it shall be thrown in from the point where it crossed the line, in any direction, by a player of the team opposite to that of the player who last touched it. The thrower at the moment of delivering the ball must face the field of play and part of each foot shall be either on the touch-line or on the ground outside the touch-line. The thrower shall use both hands and shall deliver the ball from behind and over his head. The ball shall be in play immediately it enters the field of play, but the thrower shall not again play the ball until it has been touched or played by another player. A goal shall not be scored direct from a throw-in.

Punishment:

(a)If the ball is improperly thrown in the throw-in shall be taken by a player of the opposing team.

(b)If the thrower plays the ball a second time before it has been touched or played by another player, an indirect free-kick shall be taken by a player of the opposing team from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

(1)If a player taking a throw-in, plays the ball a second time by handling it within the field of play before it has been touched or played by another player, the Referee shall award a direct free-kick.

(2)A player taking a throw-in must face the field of play with some part of his body.

(3)If, when a throw-in is being taken, any of the opposing players dance about or gesticulate in a way calculated to distract or impede the thrower, it shall be deemed ungentlemanly conduct for which the offender(s) shall be cautioned.

LAW XVI – GOAL-KICK

When the whole of the ball passes over the goal-line excluding that portion between the goal-posts, either in the air or on the ground, having last been played by one of the attacking team, it shall be kicked direct into play beyond the penalty-area from a point within that half of the goal-area nearest to where it crossed the line, by a player of the defending team. A goalkeeper shall not receive the ball into his hands from a goal-kick in order that he may thereafter kick it into play. If the ball is not kicked beyond the penalty-area, i.e., direct into play, the kick shall be retaken. The kicker shall not play the ball a second time until it has touched—or been played by—another player. A goal shall not be scored direct from such a kick. Players of the team opposing that of the player taking the goal-kick shall remain outside the penalty-area whilst the kick is being taken.

Punishment: If a player taking a goal-kick plays the ball a second time after it has passed beyond the penalty-area, but before it has touched or been played by another player, an indirect free-kick shall be awarded to the opposing team, to be taken from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

(1)When a goal-kick has been taken and the player who has kicked the ball touches it again before it has left the penalty-area, the kick has not been taken in accordance with the Law and must be retaken.

LAW XVII – CORNER-KICK

When the whole of the ball passes over the goal-line, excluding that portion between the goal-posts, either in the air or on the ground, having last been played by one of the defending team, a member of the attacking team shall take a corner-kick, i.e., the whole of the ball shall be placed within the quarter circle at the nearest corner-flag post, which must not be moved, and it shall be kicked from that position. A goal may be scored direct from such a kick. Players of the team opposing that of the player taking the corner-kick shall not approach within 10 yards of the ball until it is in play, i.e., it has travelled the distance of its own circumference, nor shall the kicker play the ball a second time until it has been touched or played by another player.

Punishment:

(a)If the player who takes the kick plays the ball a second time before it has been touched or played by another player, the Referee shall award an indirect free-kick to the opposing team, to be taken from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

(b)For any other infringement the kick shall be retaken.

ROTHMANS FOOTBALL YEARBOOK

The 17th edition of Rothmans Football Yearbook contains all the usual details of domestic, European and international football, as well as coverage of Welsh, Northern Irish, non-League, amateur, schools and university football, plus much, much more.

The heart of the book, the club section, devotes four pages to each Football League club, and includes a squad photograph for the 1985-86 season, a wealth of statistics about each club, the fullest possible details of the League season and a player directory which gives the height, weight, date and place of birth, source and full League career record of every player.

This edition carries full details of the 1986 FIFA World Cup final tournament and also looks forward to the 1988 European Championship. The section giving international team line-ups for the four home countries has been extended right back to 1872 and is presented in a new format which makes it easier to follow appearance sequences down the years. Other new features include a European club directory and an expanded and fascinating records section.

All the other popular regular features are here, including the Rothmans Football Awards for 1986, the Laws of the Game, a day-by-day Diary of the 1985-86 season, a list of useful addresses and, of course, the Football League fixtures, in acrostic and chronological form, for 1986-87.
